ROBERT HAMILL is a man of dynamic personality, driving ambition, and whose quick wit and quiet manner have enabled him to gain the respect of students and teachers alike.

Born in Merced, California, Mr. Hamill received his Bachelor's Degree from the University of Redlands and his Master's from the University of Oregon. A World War II veteran, he and his wife Katherine came to Eugene fifteen years ago. They have three children, thirteen year old Mary Patricia, eight year old Doug, and two year old Julie Anne. Mr. Hamill joined the NEHS faculty four years ago, teaching American Problems and advising the yearbook. This year he took a leave of absence from North to serve as executive secretary to the committee on education for the state legislature.

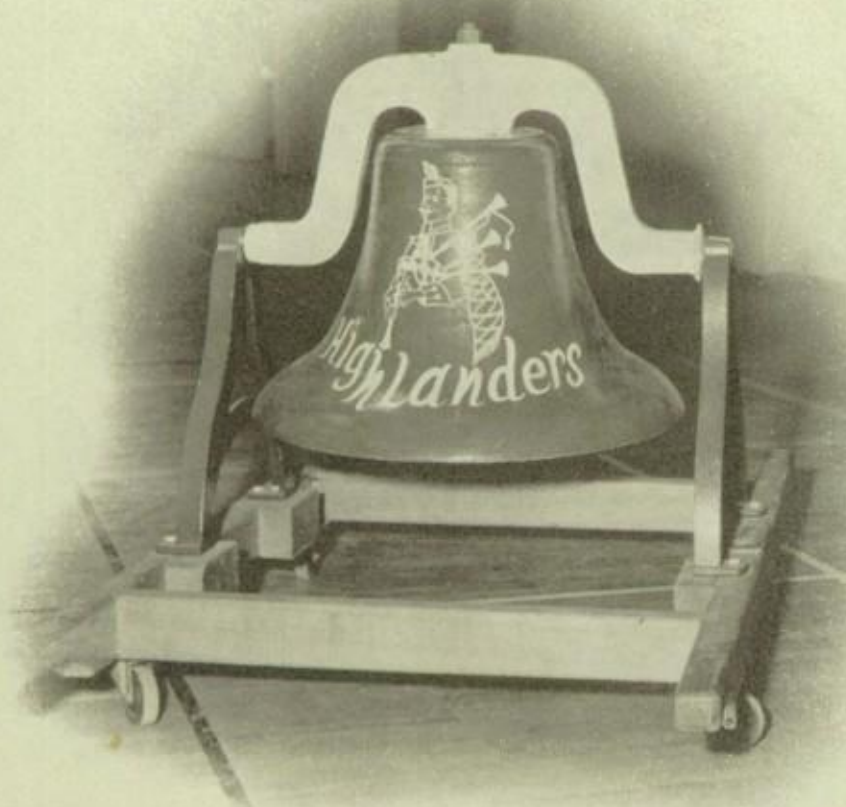

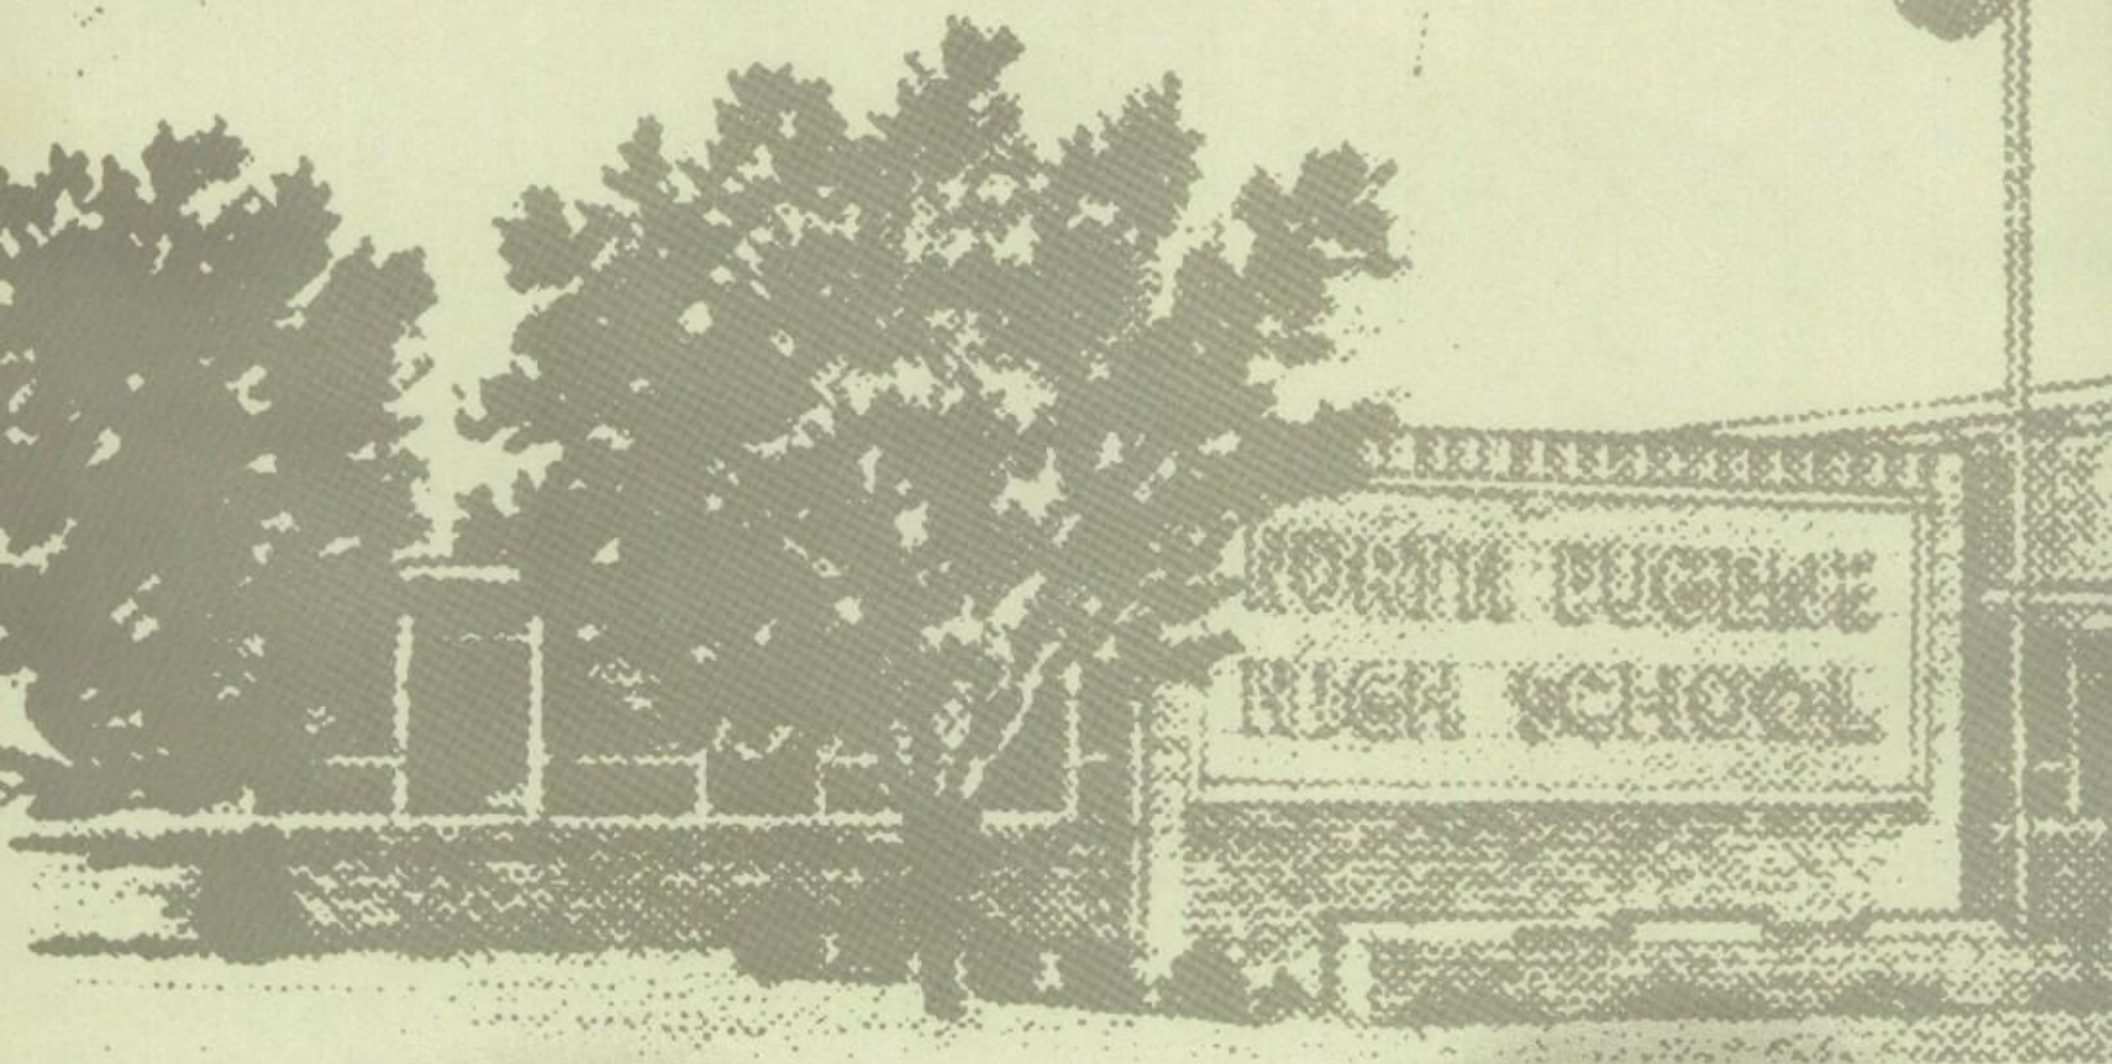

When the staff met to decide to whom or to what we would dedicate our yearbook, we unanimously felt that Robert Hamill is the kind of man who is dedicated to his profession and sincerely is interested in passing on knowledge to the future leaders of our city, state, and country.

And so, with great pride and a surprise to no one but himself, Mr. Robert Hamill—we here do dedicate the 1963 Tartan to you.

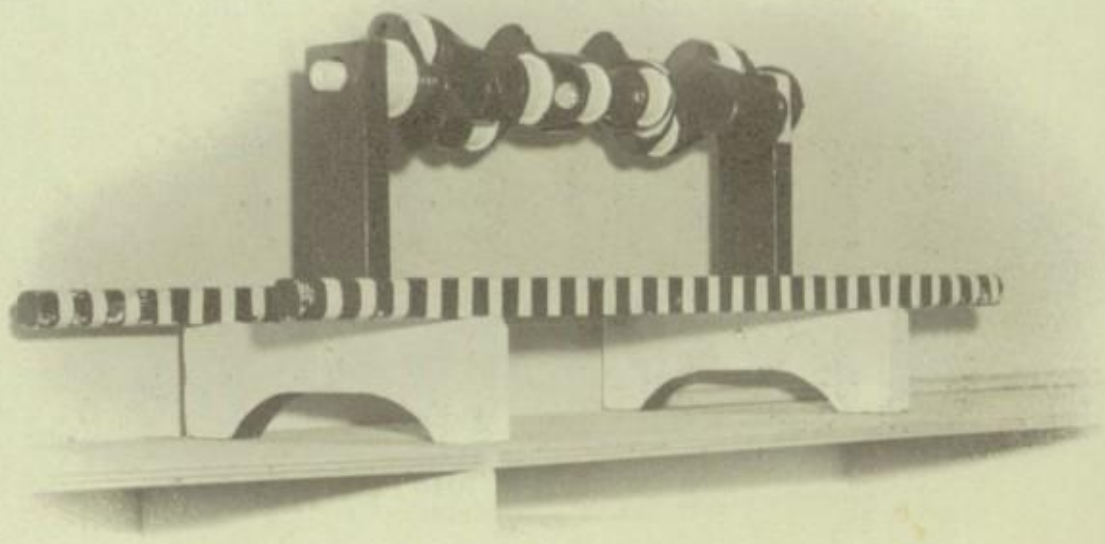

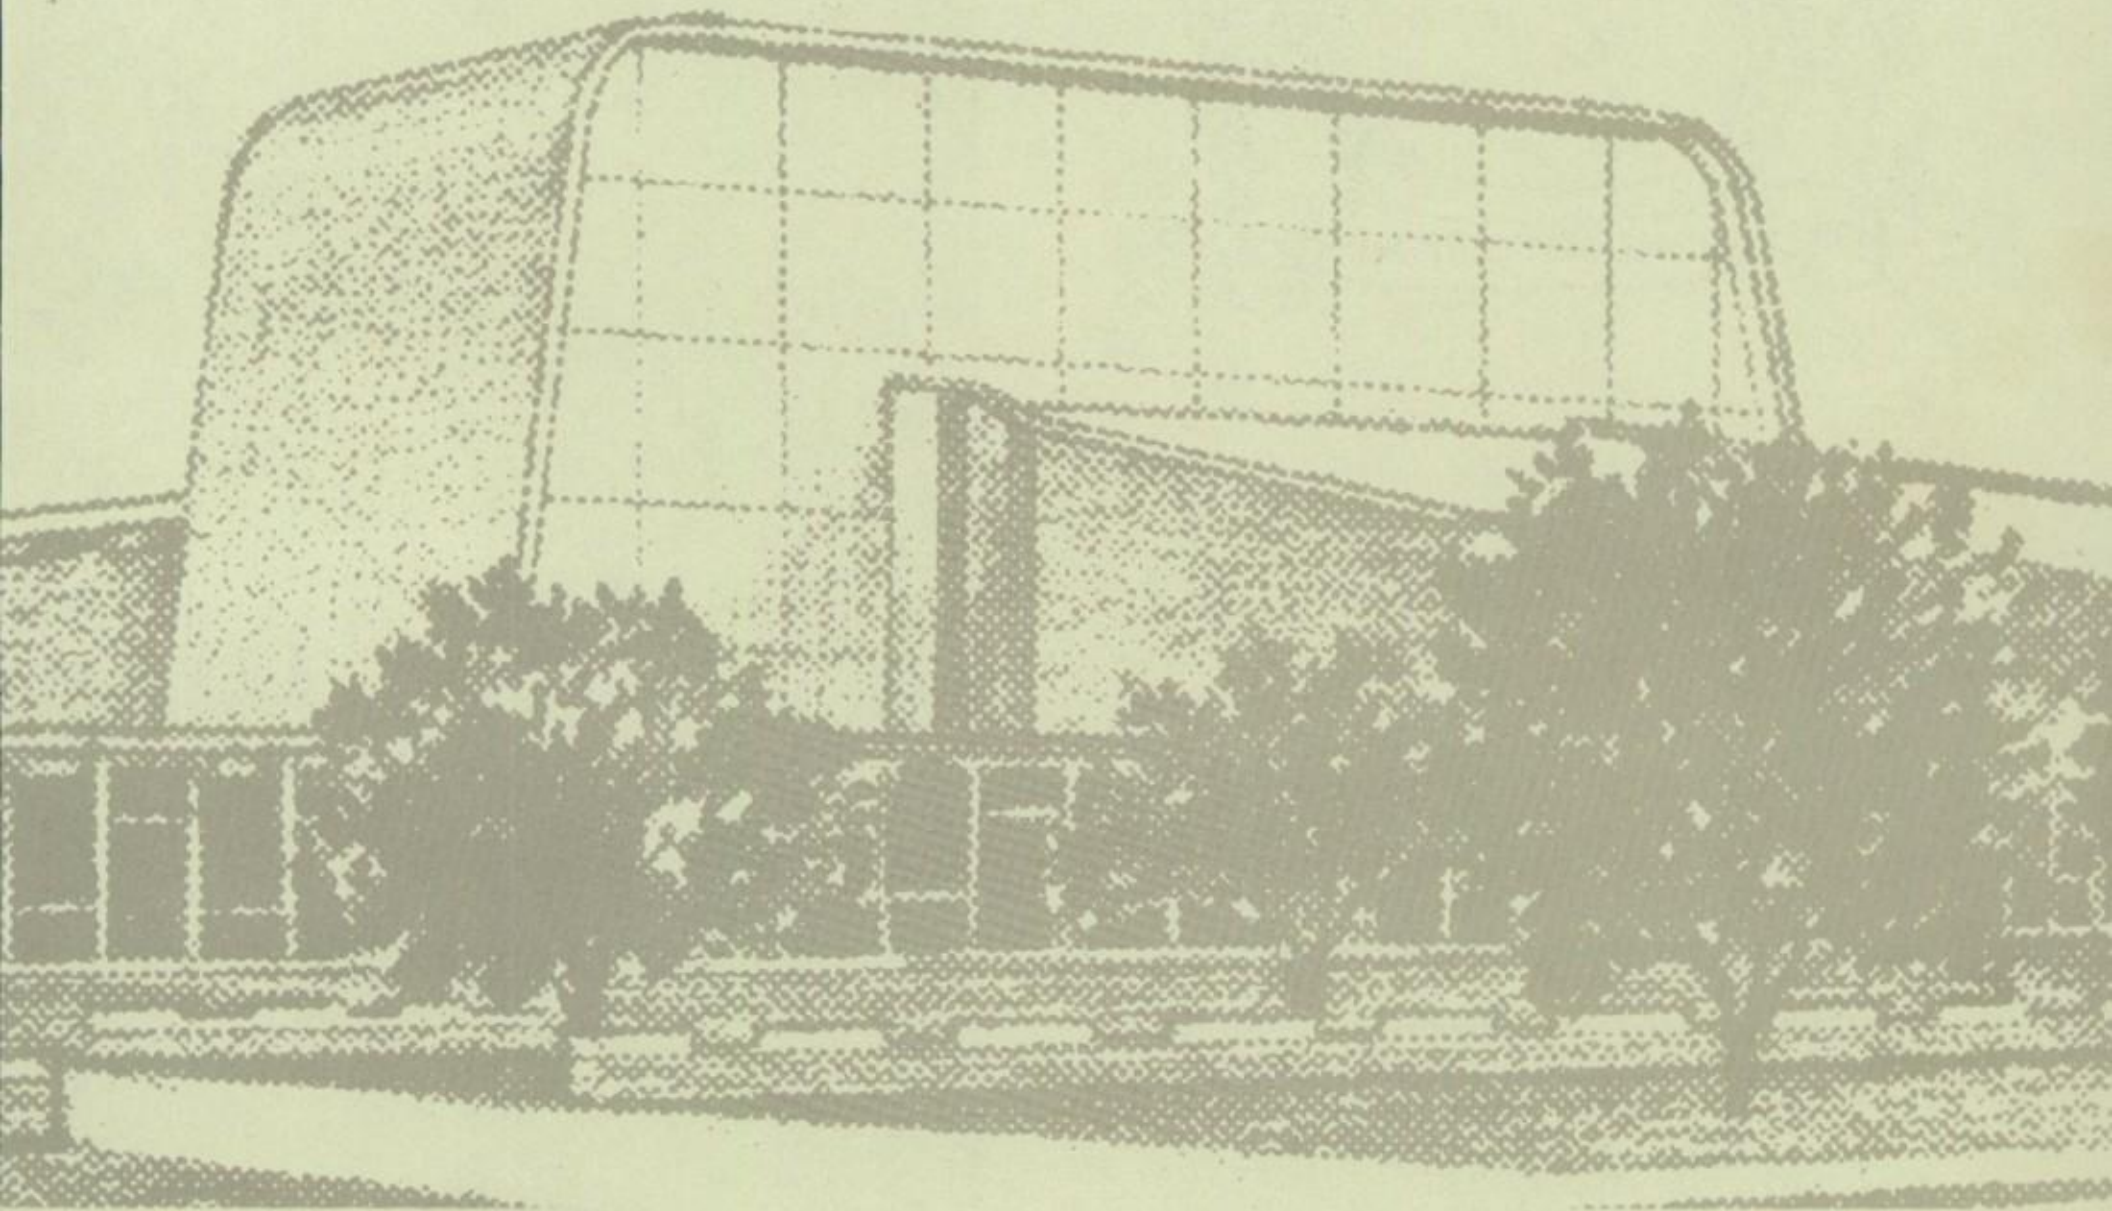

DEDICATION ...

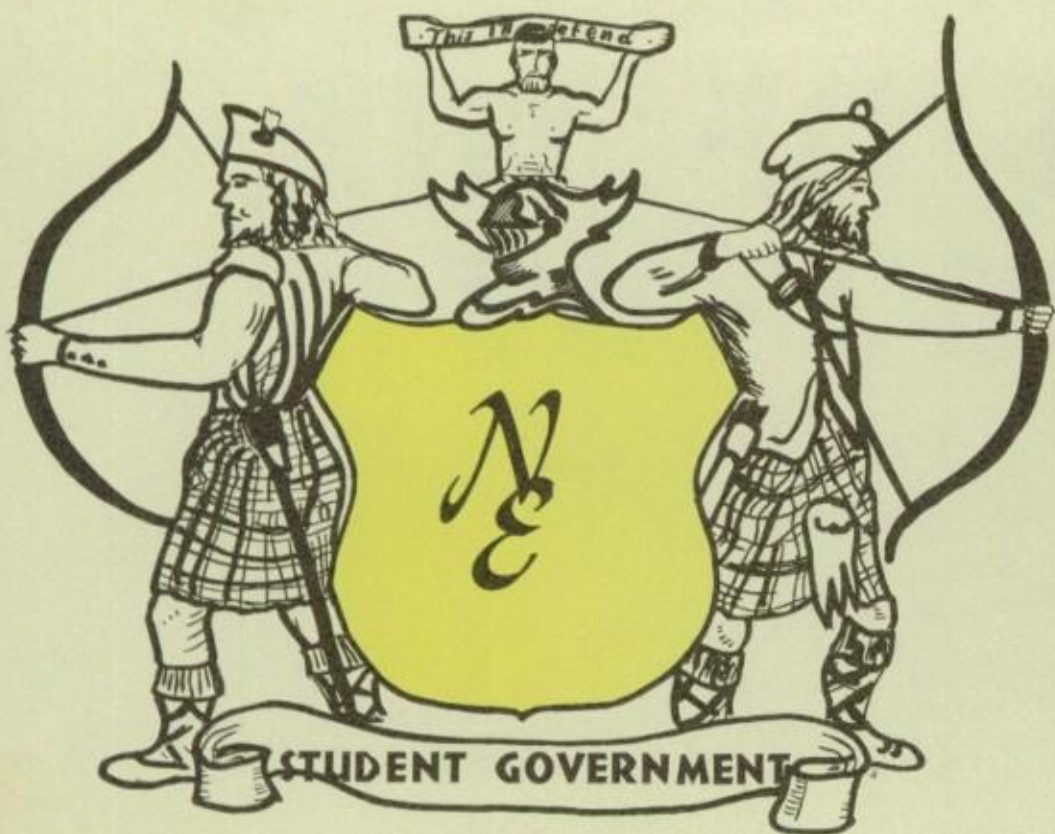

Oh North, We're proud of you
And of your Red and White
We'll fight for you with all our might
And cheer you as you play,
Unlowered shall these colors be,
Whatever comes our way
So glorious in Victory
The mighty Red and White.

MEMORIES OF THE YEAR 1962 - 63

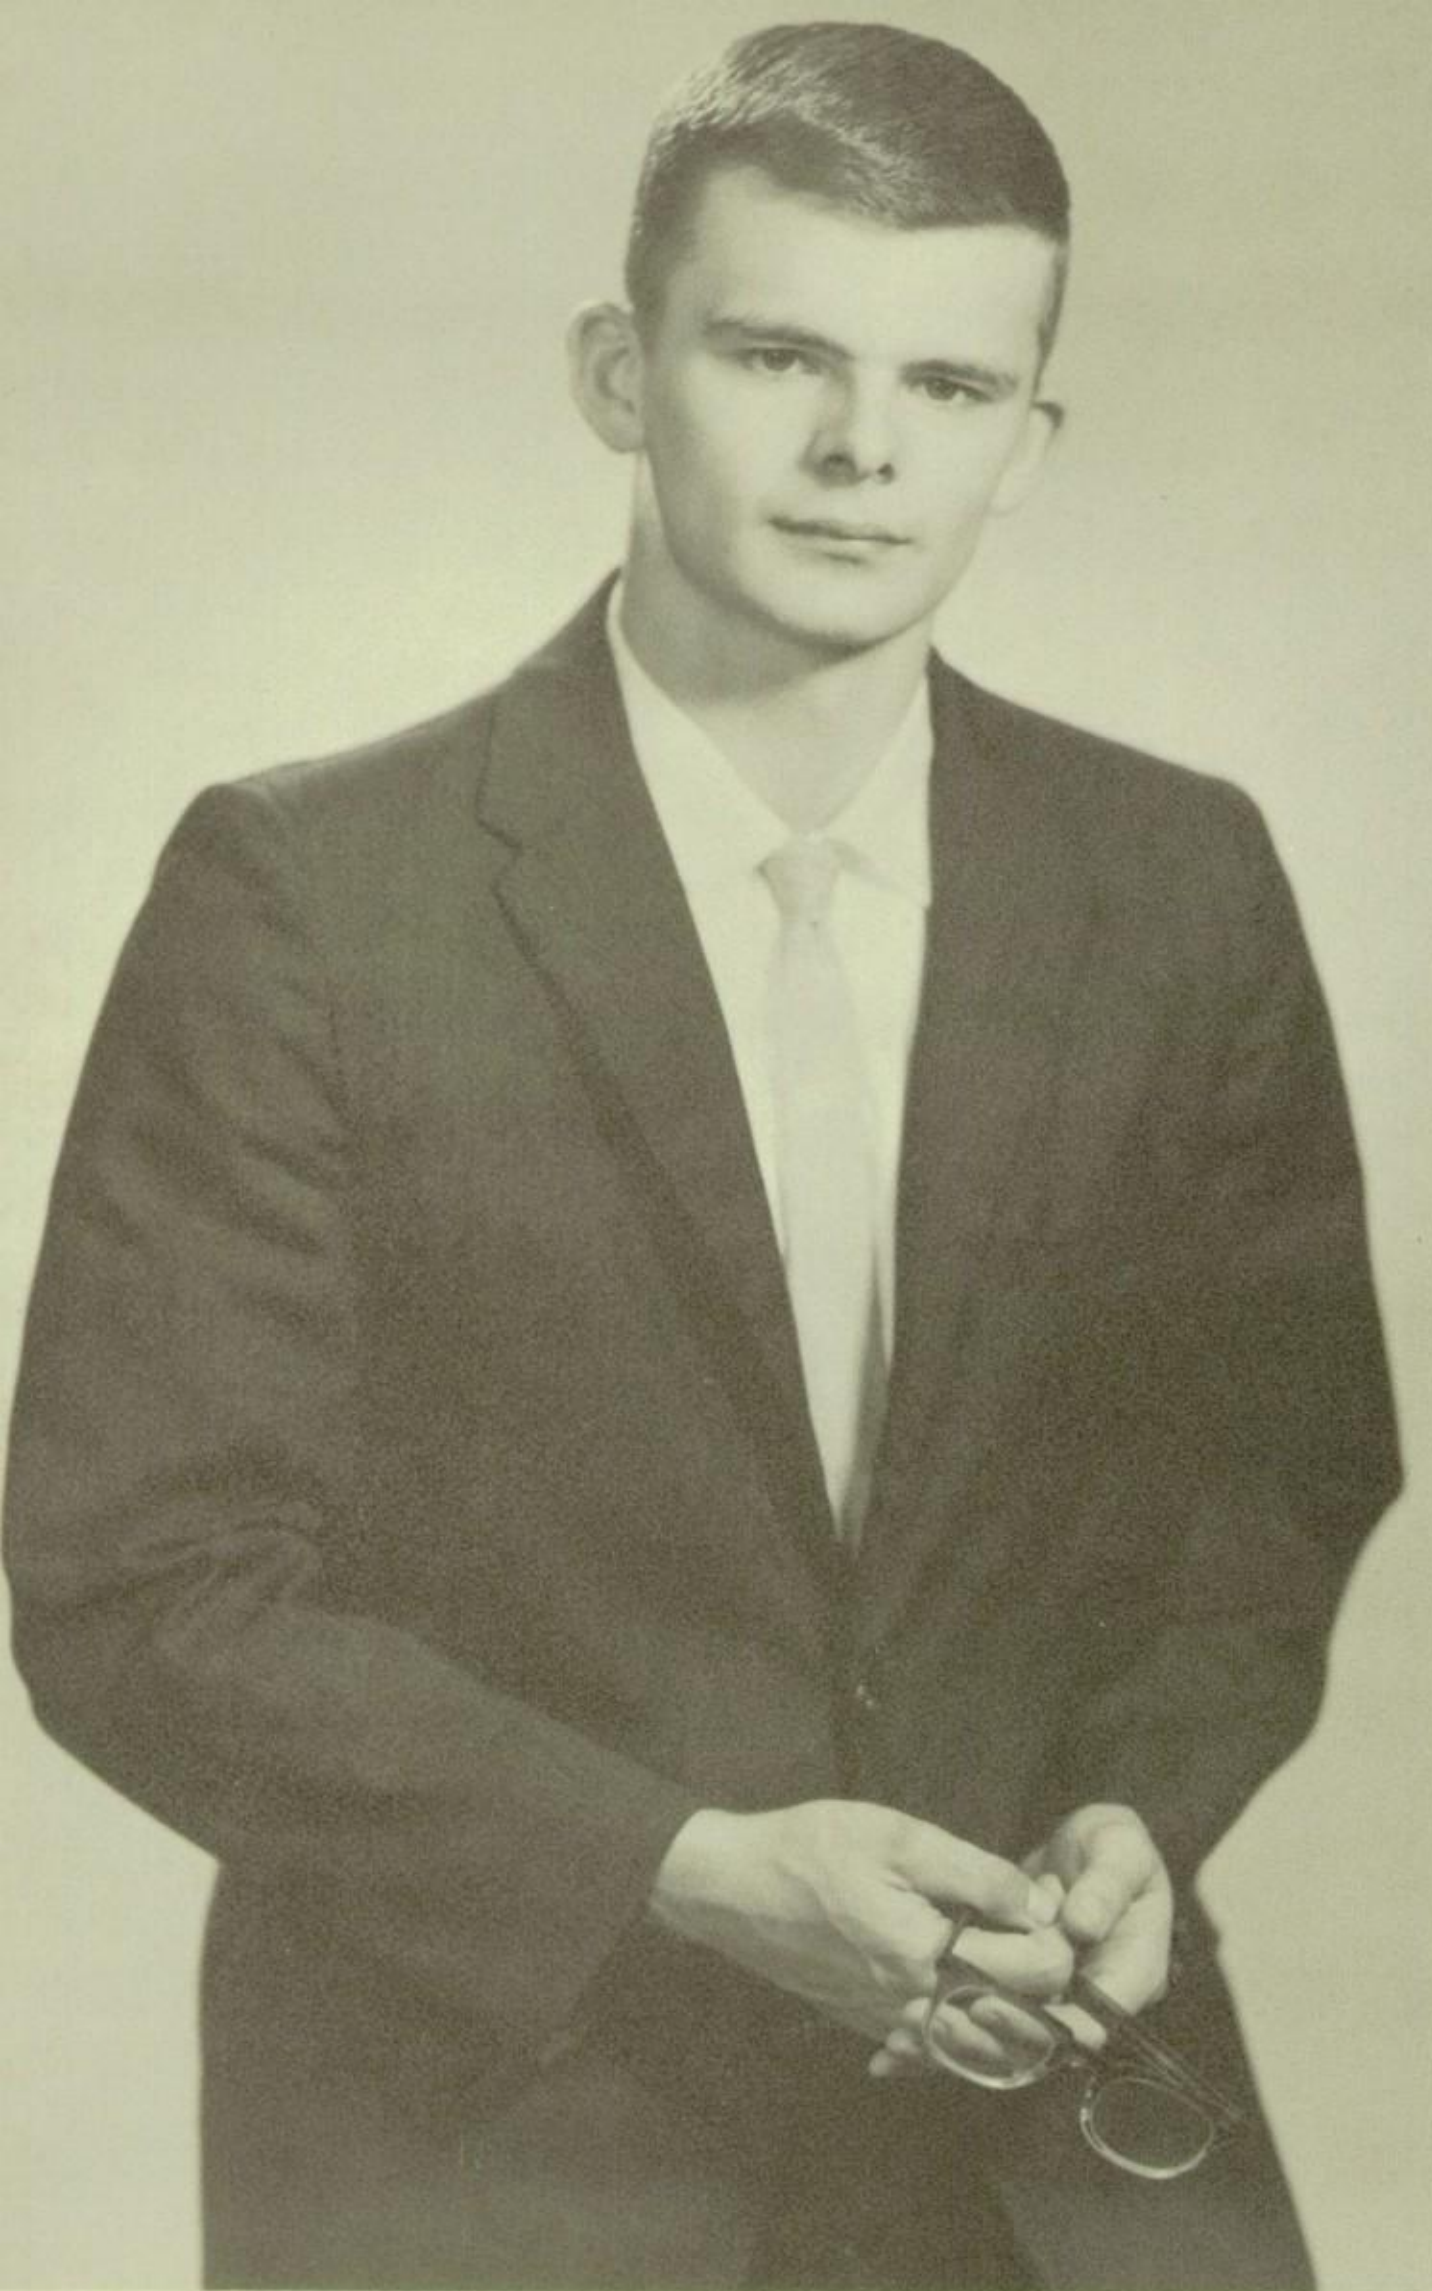

The Executive Council met regularly before each student council meeting to plan the agenda.

STUDENT GOVERNMENT

STUDENT

Dan Perkins
Student Body President

North Eugene's Associated Student Body was run very smoothly under the very capable leadership of its student body officers. These six students are to be commended on their outstanding jobs in leadership, cooperation with the administration and student government.

President, Dan Perkins, was in charge of keeping Student Council meetings in order and making sound decisions. Vice President, Bill Luvaas, was not only to take Dan's place when he was absent, but also he was in charge of the Election Committee.

Candy Newland, Secretary, kept very accurate minutes of each meeting and was also in charge of seeing that the minutes of the previous meetings were placed in the home rooms for reference.

Lloyd Chapman, Treasurer, was not only in charge of the student body funds, but also the Student Loan Committee.

Sue Deyo, Historian, kept all the school's events in the school scrapbook and was parliamentarian at Student Council meetings. John Lyman, Student Manager, was in charge of all assemblies, rally buses, and the boy's white shirt section.

We would like to thank these students for their outstanding jobs in making the year 1963 one of the best ever.

STUDENT COUNCIL

Highlights of Student Council this year were the discussions on parliamentary procedure and organization of student councils.

One of the most controversial decisions ever to be handed down by a NEHS council was the beginning of a Student Court. This was discussed by the council, voted on by the Student Body and finally put on a trial basis.

Another new addition passed by the 1963 Council was the formation of an Inter-Club Council made up of all the Club Presidents. This proved very successful in coordinating the many clubs of the school.

This year, John Lyman was chairman and the committee should be recognized for doing a very efficient job.

STUDENT COURT

The Student Court Organizational Committee was set up by the Student Council for the purpose of studying the advantages and disadvantages of a Student Court. They were to make recommendations for electing justices and a chief justice, the type of cases that should be brought before such a court and the punishment that should be administered. VARSITY RALLY SQUAD

This year the Varsity Rally Squad has been a great asset in promoting school spirit. These six girls worked diligently throughout the summer to perfect their yells, dances, and to learn the traditional Highland Fling. The rally performed during many half times. Their entertainment ranged from wearing football uniforms dancing to "Sweet Georgia Brown" to performing the traditional Highland Fling with the Governor's Guard Bagpipe Band before an audience of more than 10,000.

Spirit is a vital necessity when it comes to supporting a team. The Rally Squad worked by trying to concentrate the enthusiasm of the students into cheers and yells. This years rooting section has gained much praise from onlookers judging on behavior and general school spirit. The Rally Kings did a fine job in organizing the White Shirt section, especially during tournament games.

SCHOOL BOARD

Once again the School Board has devoted its time and efforts toward improving school policies, financing the school operations and providing quality education through working on the Eugene Project. This program consists of modern teaching techniques which are new to District Four, but have been successfully adopted by other school districts. With the opening of Sheldon High School next fall many boundary problems arose, so the School Board had a long and complicated job of deciding the school boundaries for North and South as well as Sheldon. We would like to extend our appreciation to these citizens who give freely of their time, for doing such an excellent job in making our District one to be proud of.

P.T.A.

The P.T.A. has strived to bring parents and teachers closer together through their regular meetings and Open House. Here the parents were not only able to meet the teachers and school officials, but they also became acquainted with the teaching methods and materials used by their children. We would like to thank these officers for their fine work in promoting parent-teacher relations at North Eugene.

MEMBERS OF THE SCHOOL BOARD

Serving as members of the Eugene School Board this year were Richard E. Miller, Henry E. Nilsen, Vernon E. Hoffman, Charles E. Sikes and Dr. L. W. Stauffer. It is up to these men to work as a team and to provide District Four students with the best educational advantages and opportunities possible.

ADMINISTRATION

Working in coordination with the School Board the Superintendent along with his assistants were in charge of administering the policies of the Board throughout the District in accordance with the regulations of the State Board of Education. This year two new offices were added: Mr. Smith became the new Director of Budget and Mr. Sikes is the new Director of Personnel. Also Mr. Millhollen became Deputy Superintendent in the change. With these new offices the Superintendents will be able to continue to put out the superior leadership needed to run an ever growing school district. We know that with the new high school and the several new grade schools these men will continue to make our school district one of the smoothest run and most outstanding school district in Oregon.

To the Students of North Eugene High School:

The 1962-63 school year has been another fine year for the people of North Eugene High School. For the Seniors it has marked the culmination of twelve years of school endeavor and has placed them on the threshold of a new way of life; for the Juniors it has given them an opportunity to form the basis of leadership which they will exert in the coming year; for the Sophomores it has provided them with a year in which to adjust to a new form of process of education, and for those Sophomores and Juniors who will be leaving us to attend the new Sheldon High School or other schools, it has given us a chance to become acquainted and to form the basis for cooperative student enterprises which I hope will mark the beginning of a long and rewarding relationship.

You can take pride in having been a part of North Eugene High School and its accomplishments. Likewise, North Eugene High School has been proud to have you numbered among its students. May I, at this time, congratulate the Seniors and extend a permanent invitation to all of you to visit us often because we will always be interested in your welfare and accomplishments.

N.E.H.S. ADMINISTRATION

Mrs. Bergman
Dean of Girls

Mr. Zollinger
Dean of Boys

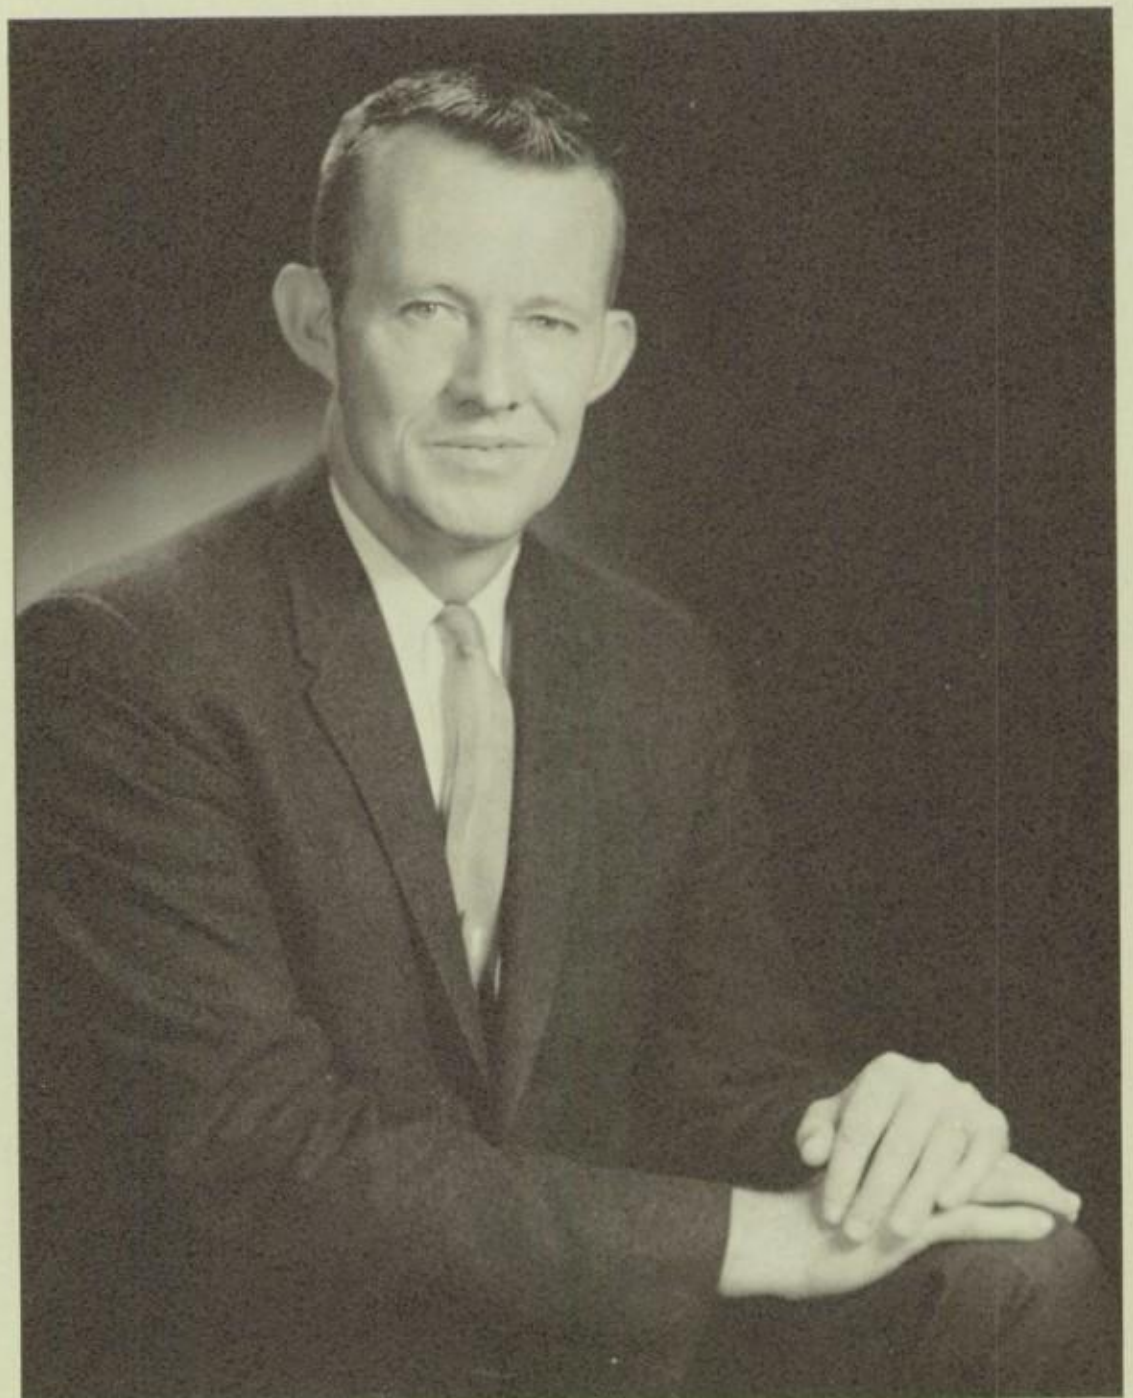

Although North had a record breaking enrollment this year, Mr. Hendrickson, Mr. Newland, Mrs. Bergman, and Mr. Zollinger provided the quality leadership needed to run a school with more than 1500 students.

The Deans, Mrs. Bergman, and Mr. Zollinger, were kept busy all year changing schedules, counseling students and passing scholarship information on to the Seniors.

Mr. Newland, the Vice Principal, took over in the absence of Mr. Hendrickson. His main job was to work with the students and he along with the other administrators have proven themselves to be friends and willing to listen to the students at all times.

Mr. Hendrickson did an excellent job keeping North's students working together. With this unity the students discovered a lot more could be accomplished both in the way of academics and extra-curricular activities.

To these administrators we would like to extend our deepest appreciation and thanks for a job well done.

Math 5 and Math 6 are designed to continue a study of Algebra and to start a study of Calculus. These courses are offered more on the college level to help prepare students for future years of math which they will be required to take. The excellent teachers at North have done a very successful job in presenting these Math courses to the studentbody in a very interesting way. Early each spring the outstanding Math students take a test to place them on the National level.

North's Science Department enlarged its teaching capacity by opening the various labs on week nights and Saturday mornings. This was a real advantage to the students, especially since the Biology and Chemistry classes were using a new approach in learning by placing emphasis on laboratory findings. By being able to have more than just class lab time, they were able to come to more detailed conclusions in their experiments. Each year the Science Department picks a student, who is outstanding in Science to be the winner of the Baush and Lomb award.

"Get ready for a timed writing! Begin!" These words were a familiar sound to the typing students. Students not only developed speed, but also accuracy and fundamentals of the typewriter.

Along with the Bookkeeping and Accounting classes, General Business and Retail Selling were very popular courses to the Business students.

Shorthand, Stenography, and Office Machines were offered to help students obtain a good background for future commercial employment.

North students are very fortunate in that they have such a variety of business courses available to them.

FOREIGN LANGUAGE DEPARTMENT

In aiding French, Spanish, Latin and German students, North's language lab has proven itself invaluable. Besides using the lab during class periods, students were also permitted to use its facilities after school.

Language students also studied the customs and culture of the foreign countries. This enabled them to think and reason much in the same manner as our foreign friends. This is done in hopes of reaching a point of international communication between students.

This year the first year French classes emphasized oral teaching by means of films and recordings and cut down on written translation.

INDUSTRIAL ARTS DEPARTMENT

This year four new units have been added to the Industrial Arts Department: House Construction, Power Mechanics, Basic Industries, and Art Metals. With these new courses students will now be able to obtain a broader education in this field. Also each year the Oregon Industrial Association offers a scholarship to an outstanding boy in this field who is interested in teaching Industrial Arts in the Secondary Schools.

MUSIC DEPARTMENT

Clyde Diller

This year we had many opportunities to hear from the Music Department. During football we heard the band at halftime and the Pep Band during basketball. The Orchestra accompanied the Drama productions and the choir sang at several assemblies. During our Christmas assembly, however, we heard from all the different sections in one combined show. We would like to thank all the students who participated in these groups for entertaining us this past year.

HOMEMAKING DEPARTMENT

The methods of cooking and sewing that were taught in the Homemaking classes this year will prove themselves invaluable in years to come. Homemaking is offered to girls in all three grades with the units of study divided so each year they broaden their knowledge of the proper and efficient way of running a home. This year Nancy Dorey was the winner of the Betty Crocker Homemaker of Tomorrow contest.

PHYSICAL EDUCATION DEPARTMENT

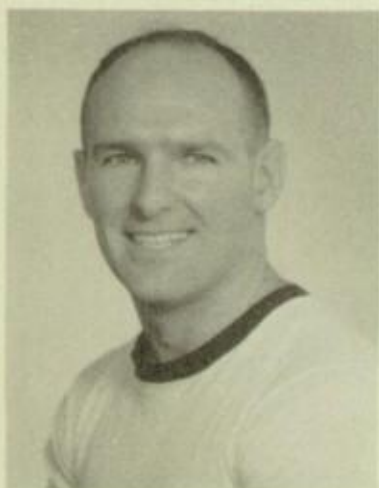

This year the Physical Education Department experimented with ability grouping and flexibility scheduling in an effort to provide a greater variety in the units offered. There were an increased number of co-educational activities planned throughout the year. Also used this year were taped lectures and descriptions of skills and techniques in the various sports. Another one of North's additions this year came in the counseling department. This year Mrs. Rehfield, Miss Best and Mr. Baldwin were full time counselors.

It was their job to help students with their problems and to help them choose their subjects for next year. With these added counselors each student could receive a lot more personal attention.

SCHOOL NURSE

Mrs. Ross

Once again, Mrs. Ross, our school nurse, was kept busy bandaging fingers, taking care of the sick, and administering T.B. tests. Aiding Mrs. Ross were several students who were interested in nursing as a career. We are very fortunate in having such a dedicated person who has proven herself a friend to all.

With North's ever growing student body it became necessary to hire women for the sole purpose of helping the teachers, so they could spend more time with their class material. These Teacher's Aids were responsible for typing up tests, bulletins and letters, as well as duplicating, correcting tests and compiling curves. These women were a great asset to their respective departments and we are sure that teacher's aids will become a regular part of our school system.

North's cafeteria provides three types of food to its students. A plate lunch, that meets Type A requirements of the National School Lunch Act, an ala carte service, and a snack bar service where such things as milk shakes, hamburgers, hot dogs, sandwiches, and candy may be purchased.

There are approximately 1050 meals served daily in the cafeteria. Student workers assist the regular cafeteria personnel during the lunch hours to ease the rush.

North is very fortunate in having such an efficient staff working for them to provide well balanced meals.

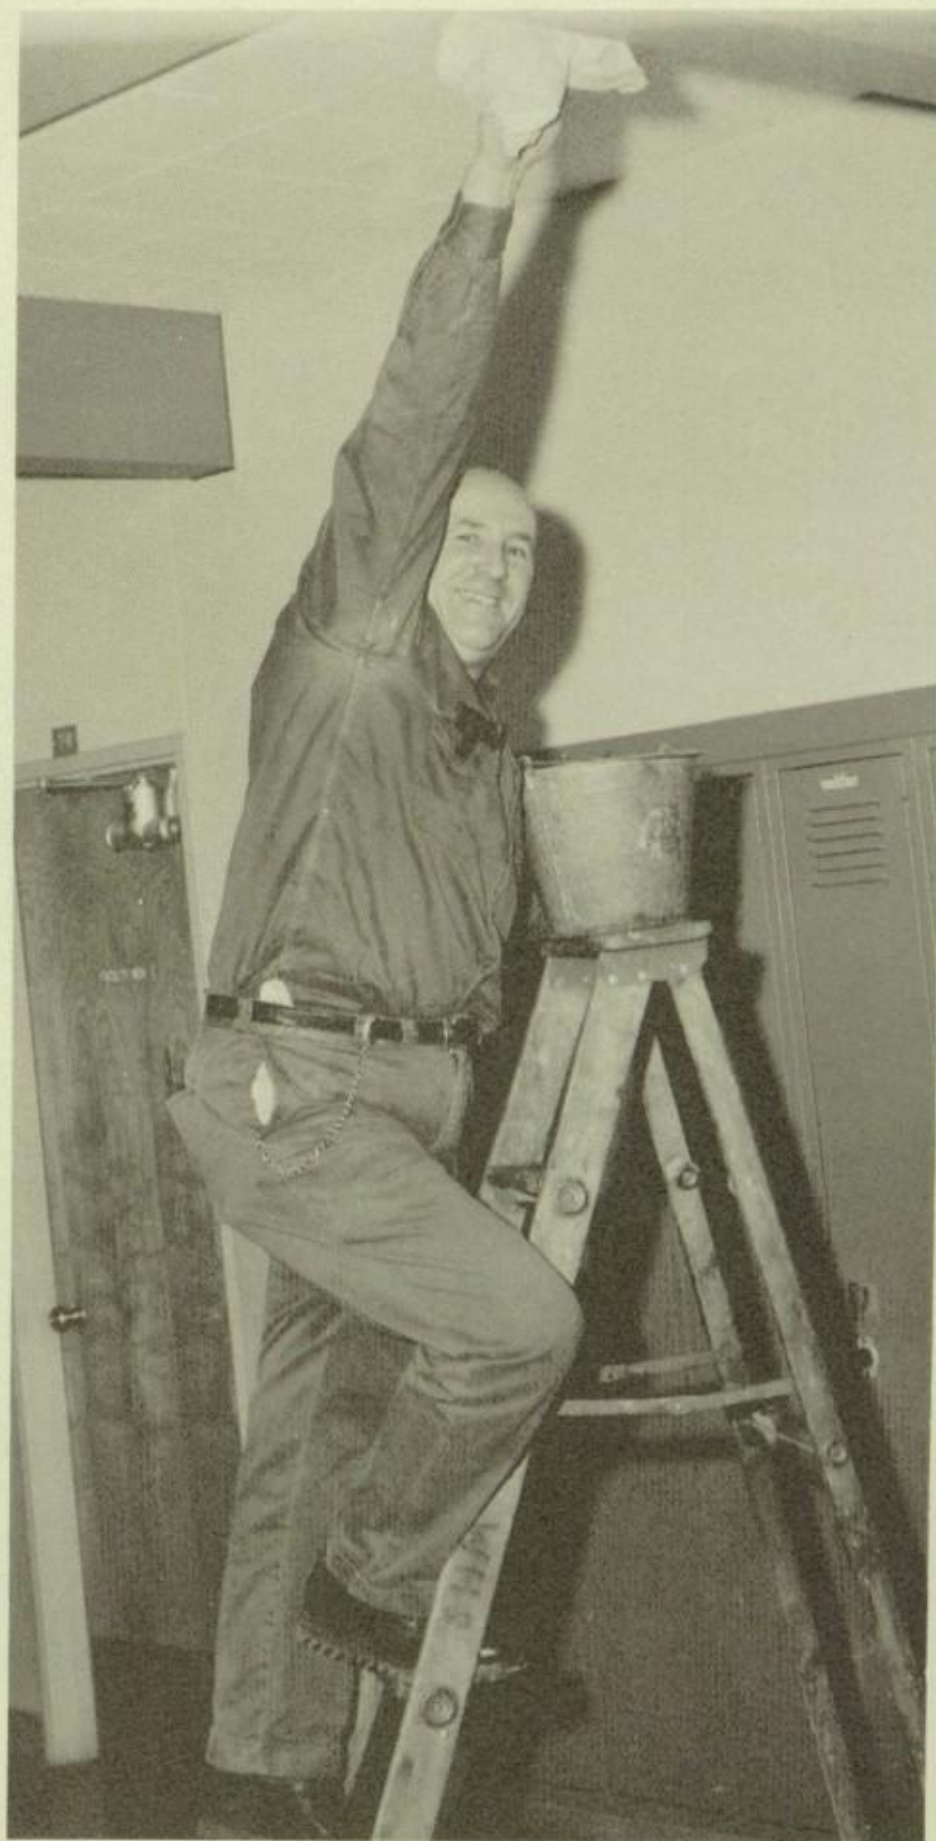

Harry Mitchell

Mid-way through the year Mr. Mitchell, North's head custodian retired and left in his place "Jiggs" Kirtley. Mr. Mitchell had been head custodian at North Eugene from the opening of the school in 1958. We would like to commend him on his excellent work and devotion to the school, and are very sorry to have lost him in his retirement.

We would also like to thank the rest of the janitorial staff for their fine work in keeping North and its surrounding campus in tip-top shape. Without these men it would be practically impossible to function.

OFFICE HELP

This year was run very smoothly even though the conditions were a little crowded. Much of this success is due to the excellent work done by the members of our office staff. They were kept busy at all times answering questions of faculty members and students, as well as keeping an accurate record of tardies and absences. One of the greatest problems for them was the filling out and filing of schedules for next year both by the junior highs and the juniors and sophomores at North. Our thanks go to these people who contributed greatly to our very successful year.

The class of '63 was led through a memorable year by Pete Little, President; Randy Thwing, Vice President; Sharon Hassman, Secretary; Sandy Danner, Treasurer. This was truly one of the best years ever as the Seniors supported their teams, went to school dances, put on assemblies and ended the year with a beautiful graduation ceremony.

The Seniors worked all year to prepare for their big event. They really got rolling as graduation pictures were taken early in the year. In January they ordered their announcements and caps and gowns. Plans were under way for the Senior Assembly and the Senior graduation party which was held in conjunction with South Eugene's graduation class. As the Seniors planned and ordered for their long awaited day, a feeling of excitement came over everyone.

The class motto, "To Strive, To Seek, To Find" was chosen mid-way through the year. The song was "You'll Never Walk Alone." The flower was the Red Rose and the class colors were Scarlet and Gold. During the Senior Assembly the Senior's upheld the tradition of presenting their gift to the school.

At long last the day was here. No longer would they wonder how it would feel to receive a high school diploma . . . a diploma that showed hours of work, pleasure and had prepared them to meet the opportunities of life. After commencement they met at the Erb for the last time as a class. A feeling of sadness drew over them, but they went away smiling as memories of their high school days now lay behind them. The class of '63 will always be remembered for their great leadership and enthusiasm which was a great asset to the Highlanders.

Row one: Bruce Kinnee, Marcia Youel, Mariella McEachern, Karen Johnson, Barbara Asmervig, Patty Borgaard, Trudy Cully, Sue Skirvin. *Row two:* Leon Henderson, Bruce Harrington, Dotty Slater, Tami King, Pat Briggs, Linda Cracker, Pat Mekech. *Row three:* Phil Duerfeldt, Bill Beebe, Denny Dodge, Gary Hall, Ken Wilkins, Jack Ferguson, Mike Brooks, Dave Myers, Dick Smith.

The junior class has been very busy this year with two main objectives: raising money for the prom and promoting school spirit.

Under the leadership of Jack Ferguson, president, the class has sponsored a variety of activities throughout the year. Jack and the other junior officers along with the junior council, organized various projects.

Juniors gained a lot of sales experience this year through the sale of victory ribbons, ball point pens, North Eugene pennants, and team booster buttons. They also sponsored a car wash, and in January a rally dance after the Willamette basketball game. The girls held a powder puff football game which turned out to be quite exciting. The profits from this event were donated to the American Field Service Fund.

During the week before the first North-South basketball game, the varsity rally squad sponsored a spirit week with class competition. The juniors won the competition with their clever posters on Sign Day, largest per cent wearing bobby-sox and sweatshirts, and by contributing over twenty dollars to the penny drive.

In the spring the juniors high lighted Print and Cord week with a dance on April 19.

The main event of the year, the Junior-Senior prom took place on the last Saturday in May. Anne Jaqua, general chairman for "Shenandoah", began working with the various committees in December. The months of planning paid off as the Prom was a memorable occasion for all who attended.

Row one: Diane Montgomery, Glenda Perry, Pam Knutson, Darlene Deyo, Cindy Hyde, Linda Patterson, Kay Ousley, Kris Luvaas. *Row two:* John Wilson, Larry Slaughter, Craig Johnson, Bill Kyker, John Siebs, Lynn Johnston, Larry Hettick, Sheila Beval, John Houck.

The class of '65 had a lot to learn upon entering North. Their first important task was the election of their officers. When the ballots were counted John Siebs had been elected President, Diane Montgomery, Vice President; Kay Ousley, Secretary; Larry Hettick, Treasurer.

Although the Sophomores had the largest class in the student-body they still were not always at the top. They always had something planned for the pep assemblies which usually brought some response from the Juniors and Seniors. They looked their best however, on the day they all wore white shirts and blouses to the spirit week assembly.

This year was a get acquainted year for the whole class. They met many new people, learned how to organize and plan dances

and perhaps most important they learned how to raise money. This will be a very vital asset to them next year for they will be responsible for the Junior-Senior Prom. They also showed great spirit in making money during the American Field Service Drive and in making posters during the year for the different sports.

The Sophomores took a few weeks to learn to work together as one group, instead of the various groups they came into North as, representing several different junior high schools. Next year with the opening of Sheldon the class of '65 will once again be split into two different groups. We know that this year of learning will enable them to carry on next year as Juniors, regardless if they go to Sheldon or North.

The American Red Cross Volunteer Nurses's Aide program is sponsored by the Future Medical Careers Club, under the direction of Mrs. Alma Ross, R.N., the school nurse. The program consists of 20 hours of classroom instruction plus 20 hours of hospital supervision prior to being capped. After the 40 hours have been completed, the caps are presented at a combined capping ceremony which includes nurses aides from high schools in the Eugene area.

This year 86 nurses aides were capped—29 of those being capped were from N.E.H.S.

The Nurse's Aide program is a volunteer program and is extra curricular. The rewards they receive are personal. Two of the main reasons girls become nurse's aides is to find out if the nursing profession is their interest and the desire to give of themselves to help and aid others voluntarily.

TARTAN

Pat Dundin

ACTIVITIES

The Playboy Dance was sponsored by the Hi-Y Club. The Mark-Three Trio played at the dance, and proved to be quite good.

Decoration ideas were taken from the Playboy Club in Chicago. Kim Short supplied the ideas, as the decoration committee carried them out.

The semi-formal dance took place on the 27th of October, just before Halloween. Cider and donuts were served to fit the Halloween occasion. The refreshments were set up in the student lounge next to the cafeteria, where the dance was held.

Tickets were priced at \$1.50 a couple. They were made in the shape of a key which was colored gold.

The dance began at 8 p.m. and ended at 11:30 p.m. with great success. Everyone who attended the dance, including the chaperones, participated in both slow and fast dances. Girls' high heels thrown in corners of the dance floor proved the fact that dancing was more comfortable without the shoes.

MISTY

This year's semi-formal Christmas Dance was named "Misty." The theme was carried out by simple ball type decorations with blue lights shining on them, and a large Christmas tree in the center with revolving colored lights reflecting the decorations on the tree. Refreshments were served in the student lounge.

Print and Cord week got off to a bad start weather-wise. It was cloudy and grey but not enough to dampen the enthusiasm of the students. Monday spring cottons blossomed out despite the chill. Tuesday was shift day for the girls while the boys wore bermudas. Friday provided the students with an hour for lunch, with entertainment in the auditorium. In the afternoon there was an all-school assembly with the annual Turtle Race and presenting of awards. The dance of Friday night was named "Daisies Won't Tell." It marked the end of another fun-filled Print and Cord Week at North Eugene.

"REDHEAD"

The zany musical comedy, "Redhead," sparked the end of another successful theater season for North Eugene and Director William Quesinberry.

"Redhead" is the story of Essie Whimple, a plain little wax sculptress, who when she falls in love with Tom Baxter, the circus strong man, becomes a glamorous redhead. To gain Tom's attention Essie pretends she is attacked by the same man who murdered Ruth LaRue, another circus performer. Essie envisions the murderer and proceeds to sculpt a statue of the crime for her aunt's waxworks. The musical takes on the charm of the Keystone cops as the police chase the murderer, the murderer chases Essie, and Essie chases Tom. From the first scene to the surprise ending, "Redhead" provided loveable and laughable entertainment. The lyrics of "Erbie Fitch's Twitch," "Look Who's In Love," and "We Loves Ya, Jimiey," followed the sell-out crowds as the final curtain fell.

This year elections were held during the first week in May. Due to the split in the sophomore and junior classes because of the new high school, there weren't as many candidates running for office as there had been in past years. Dick Arbuckle

COACHING STAFF

The success of the 1962 North Eugene football team would not have been possible without three fine coaches. The head football coach is John Reed. This was his fifteenth year as football coach and his third year as a Varsity coach at North Eugene. 1962 was by far his best year as a Highlander. He is a graduate of Simpson College and the University of Denver. He teaches American Problems and U. S. History at North.

One of the assistant coaches is Dick Arbuckle. This is his second season at North Eugene. He is a graduate of the University of Oregon where he played varsity football for two years. He was a quarterback and a defensive halfback in college and is backfield coach at North. He teaches Physical Education.

The other assistant is Mike Dolby. This is his first year at North Eugene after he graduated from Oregon State University where he was a guard on the Beaver squad. He is line coach at North and teaches shop.

Mike Dolby

The walkie-talkie phones used by the North Eugene coaches enable them to decide which plays could be run effectively and which defenses they should use to stop their opponents. Mr. Arbuckle sat in the press box and passed the information to Mr. Dolby on the field. From here the plays were passed on to the substituting players.

North opened the season with a hard fought 7-7 deadlock against favored Corvallis. North's score came in the third quarter after Wayne Collier ran back the second half kickoff 17 yards. Ten plays later Bill Gott scored from the one. Joe Palanuk ran for 30 yards and grabbed a pass for 15 more in the drive.

The Highlanders had another threat in the fourth quarter as Gott raced 41 yards around end to the Corvallis 30. However, the drive ended on the 28.

North Eugene's first victory of the season came at the hands of the Willamette Wolverines in a thrilling 14-12 game at Civic Stadium. Willamette scored first, but the Highlanders came back late in the third quarter as Bill Gott raced 43 yards to set up the T.D. and then scored from the two.

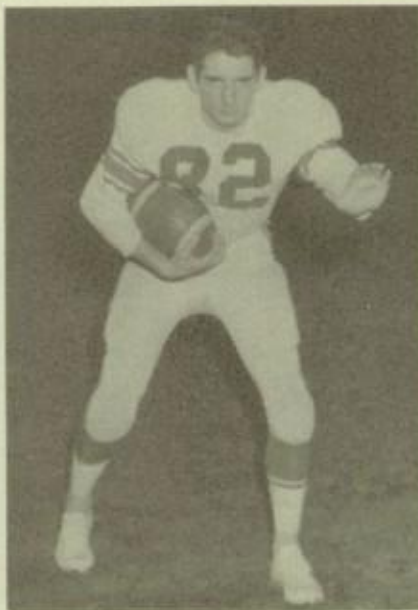

The Wolverines' second score came after a North fumble, but the lead lasted only 22 seconds as Pat Mekech took the kickoff and went 50 yards to the Willamette 25. Wayne Collier scored on the next play and Ed Allison booted his second extra point for the 14-12 win.

The Roseburg Indians handed North Eugene their first loss of the season by a 27-0 count. But the total offense was almost even, with North outgaining the Indians in rushing yardage. North's lone threat came early in the third quarter as they drove to the 10 before giving up the football.

The half time score held up as the Highlanders dropped the Springfield Millers 13-0 at Civic Stadium.

The evening was full of fumbles and pass interceptions, but the Millers could not capitalize on any of them.

North Eugene opened the scoring in the first quarter on a 28-yard run by Joe Palanuk. In the second period a seven-yard pass from Bill Thomas to Rich Jorgenson gave the Highlanders a two-touchdown lead. Ed Allison made good on his extra point attempt as it sailed through the uprights and ended the scoring for the night.

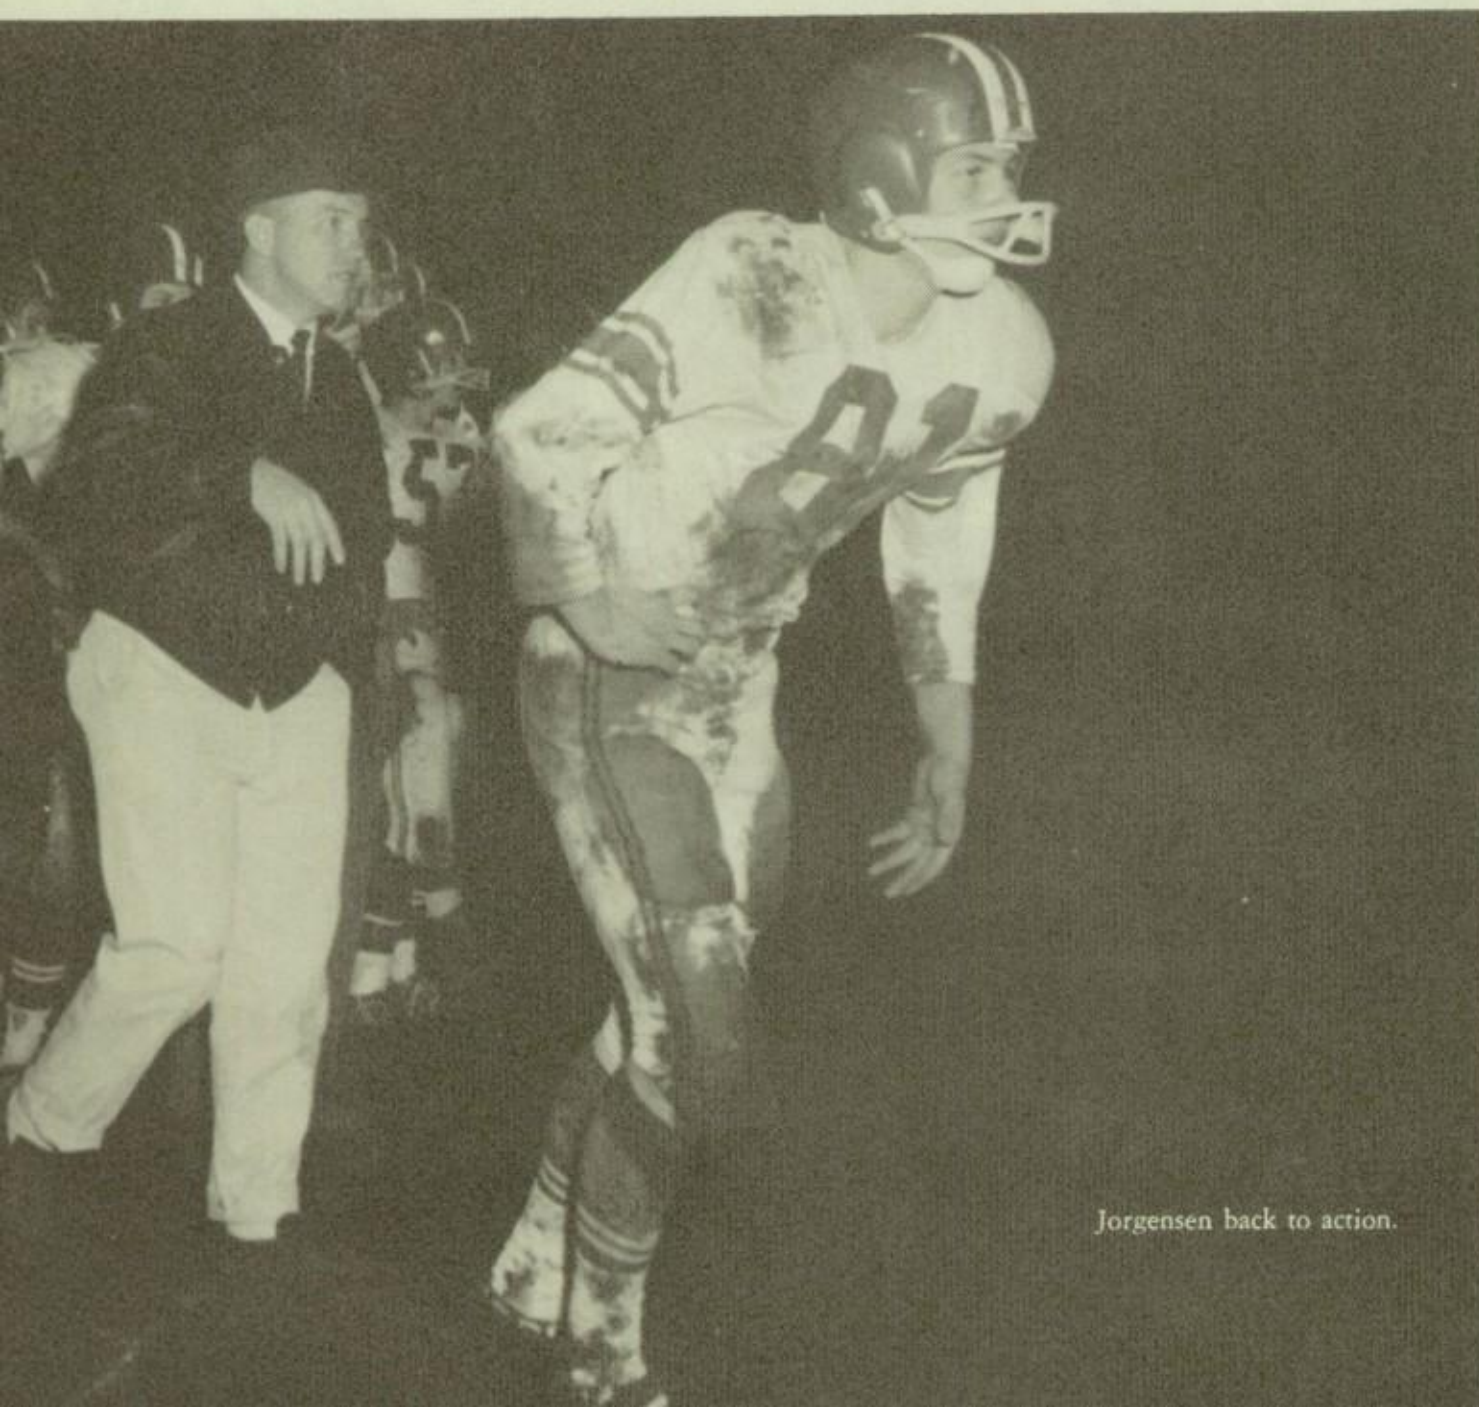

Highlander defense converges on runner.

In one of the hardest fought games of the season North tied the favored Marshfield Pirates at Coos Bay, bouncing back after being behind 13-0 at the end of three quarters.

Bill Thomas opened by throwing a 34-yard pass to Rich Jorgenson on the Marshfield 17. He then hit Pete Robertson on the

seven and moments later went over from one yard out. With the fourth quarter half gone, North was forced into a punting situation. But Marshfield was penalized and the Highlanders had the ball on the 28. In a fourth and goal situation, Thomas hit Bilderback in the end zone for the T.D. Ed Allison, after a five-yard penalty, booted the ball through the uprights.

Jorgenson back to action.

North's first win over a coast team came at the hands of the North Bend Bulldogs, 20-6 at Civic Stadium. The Highlanders rolled up a 20-0 half-time lead but had its hands full in the second half.

Jon Jenkins broke the scoring ice in the first period as he went eight yards on a reverse around right end. It was Jenkins who set up the Highlanders' next drive. Early in the second period he took a Bulldog punt on his own 35 and returned it to the North Bend 27. Wayne Collier then scored from the seven-yard line. Collier scored once more in the half as he took a 23-yard pass from Bill Thomas to end the first half.

The second half was nip-and-tuck as the Bulldogs' only score came on a spectacular 70-yard run in the fourth quarter. The win moved the Highlanders into third place in District 5-A-1 with a 2-1-1 record.

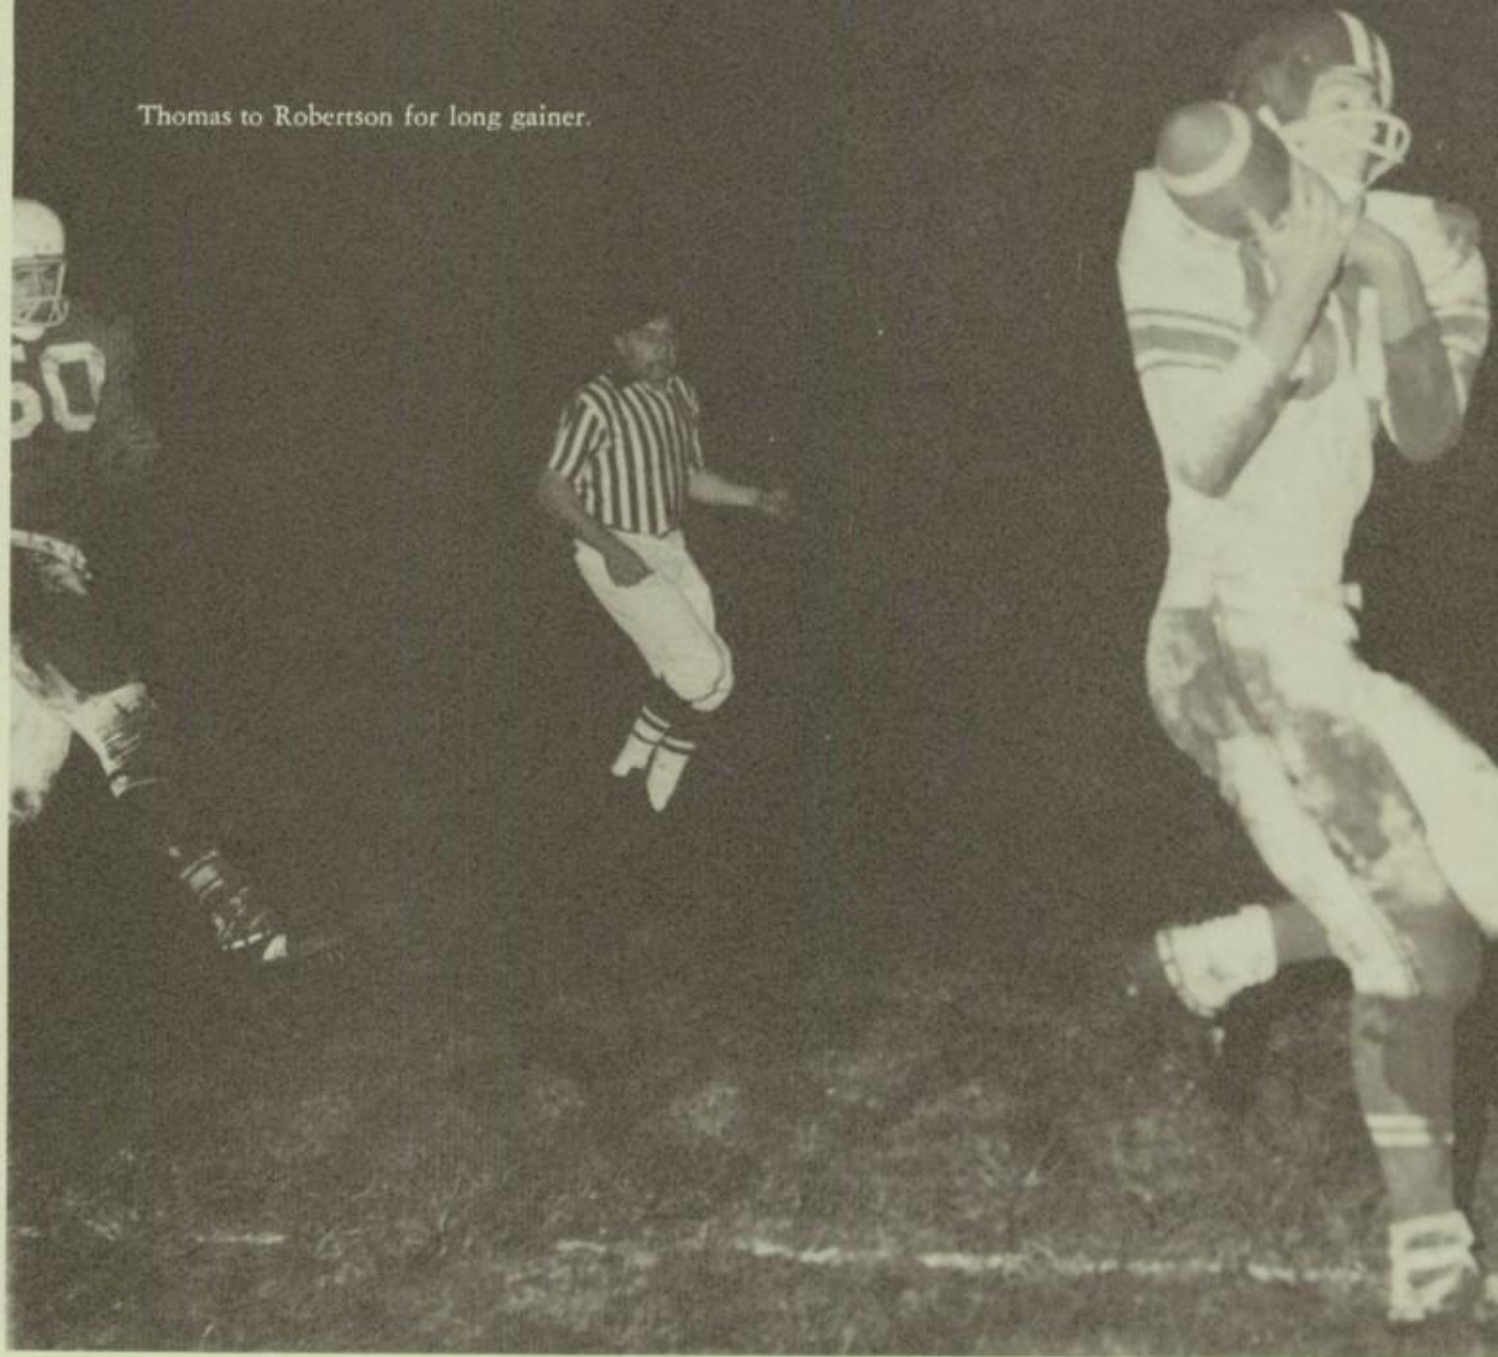

Playing without the services of Bill Thomas and Joe Palanuk, North fought to a 13-13 tie against Thurston at Civic Stadium.

Despite costly fumbles and interceptions, the Highlanders came through with one of the best offensive rushing performances ever seen at North Eugene.

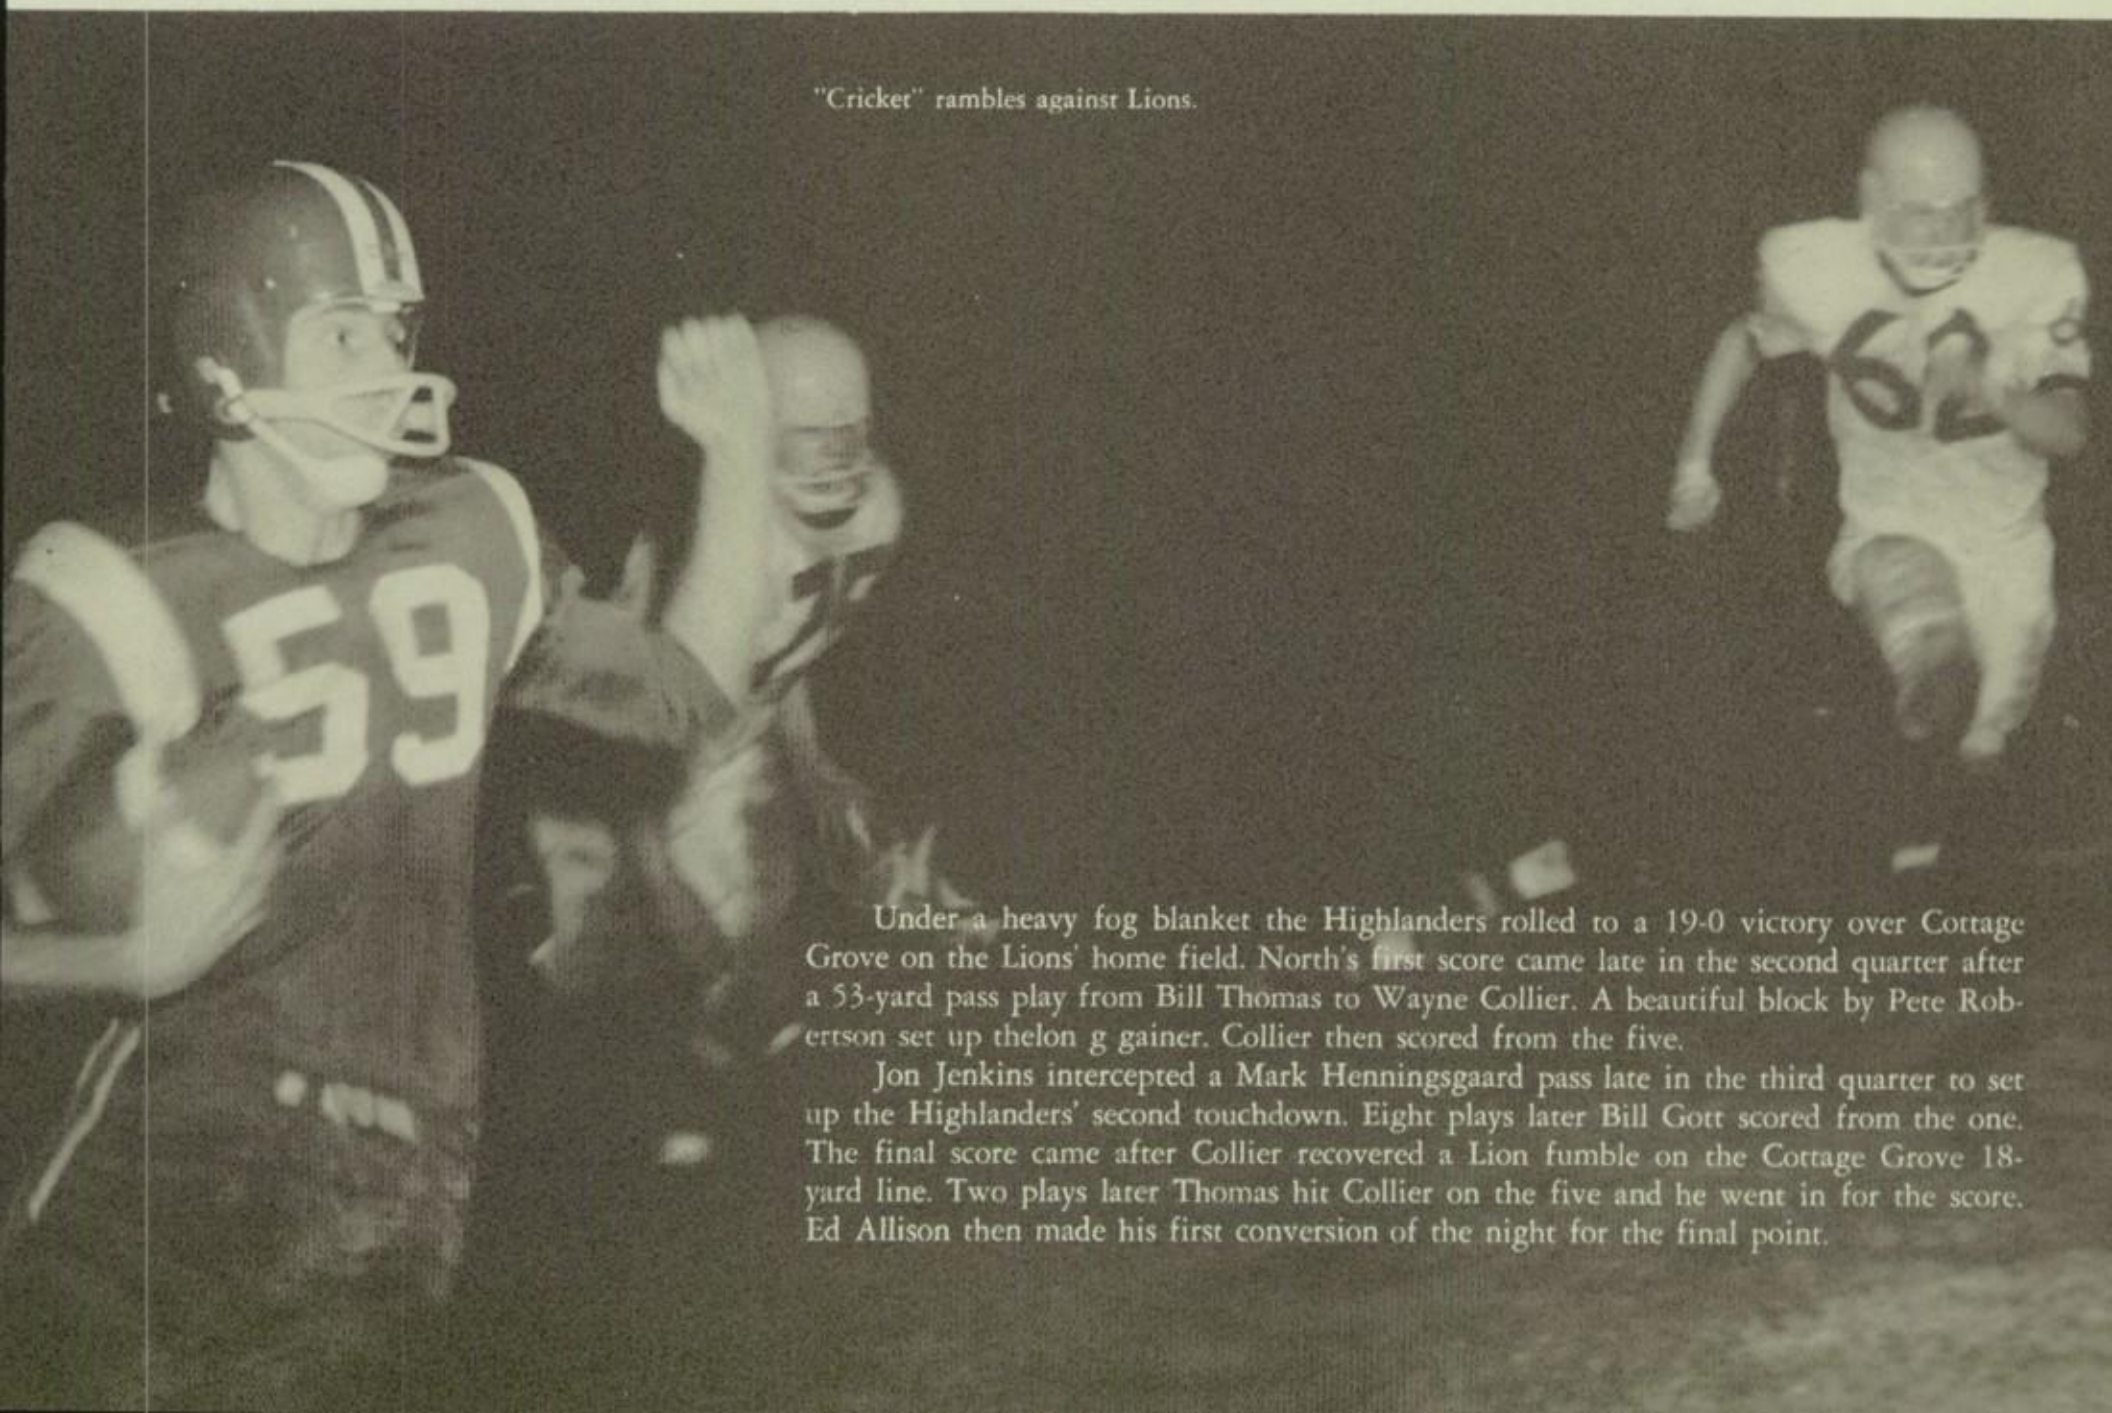

Wayne Collier scored North's first touchdown as he went nine yards for the score. Thurston came right back to tie the score after they blocked a Highlander punt. The Highlanders then drove 69 yards for their second score. Collier again pushed it over as he went the final five yards for the T.D.

After being stopped with a fourth and nine situation on the 27, Colt quarterback Bob Shields lofted the ball to Dave Guth in the end zone for the tying touchdown. The Highlanders stopped them short of the goal line on the try for extra point. The Highlanders' record is now 3-1-3 for the season.

"Cricketer" rambles against Lions.

Under a heavy fog blanket the Highlanders rolled to a 19-0 victory over Cottage Grove on the Lions' home field. North's first score came late in the second quarter after a 53-yard pass play from Bill Thomas to Wayne Collier. A beautiful block by Pete Robertson set up the long gainer. Collier then scored from the five.

Jon Jenkins intercepted a Mark Henningsgaard pass late in the third quarter to set up the Highlanders' second touchdown. Eight plays later Bill Gott scored from the one. The final score came after Collier recovered a Lion fumble on the Cottage Grove 18-yard line. Two plays later Thomas hit Collier on the five and he went in for the score. Ed Allison then made his first conversion of the night for the final point.

The 1962 winner of the Donald W. Reed trophy is quarterback, Bill Thomas. This award is presented annually to North Eugene's most outstanding football player.

Besides being the quarterback on the football team, Thomas is also an outstanding basketball player. His biggest thrill was when North tied Marshfield as he scored once and threw the tying touchdown pass to Mike Bilderback. Next year he thinks he will attend either Oregon or Oregon State University.

North Eugene gained a status of respectability in district 5 A-1 this year. It was a team that had to be reckoned with each week by every opponent. The Highlanders displayed a finely balanced passing and running attack. The opposition found that by stopping one defensively they allowed the other to function with greater efficiency.

The hustle, driving and desire of this group—plus speed and ability—probably would allow them to be catalogued as one of the finest teams North has produced. Certainly they were thrilling!

It was a pleasure for the coaching staff and myself to work with this year's team and we hope they enjoyed the season as much as we.

John A. Reed

North Eugene is still looking for a win over South Eugene in football as the Axemen started fast and then held on for a 14-12 victory at Civic Stadium.

The first time the Axemen touched the ball, they scored as Bob Officer returned a North punt 59 yards for the T.D.

North came back as they drove 62 yards for their first touchdown. On the fourth down, Bill Thomas passed two-yards to Wayne Collier for the score.

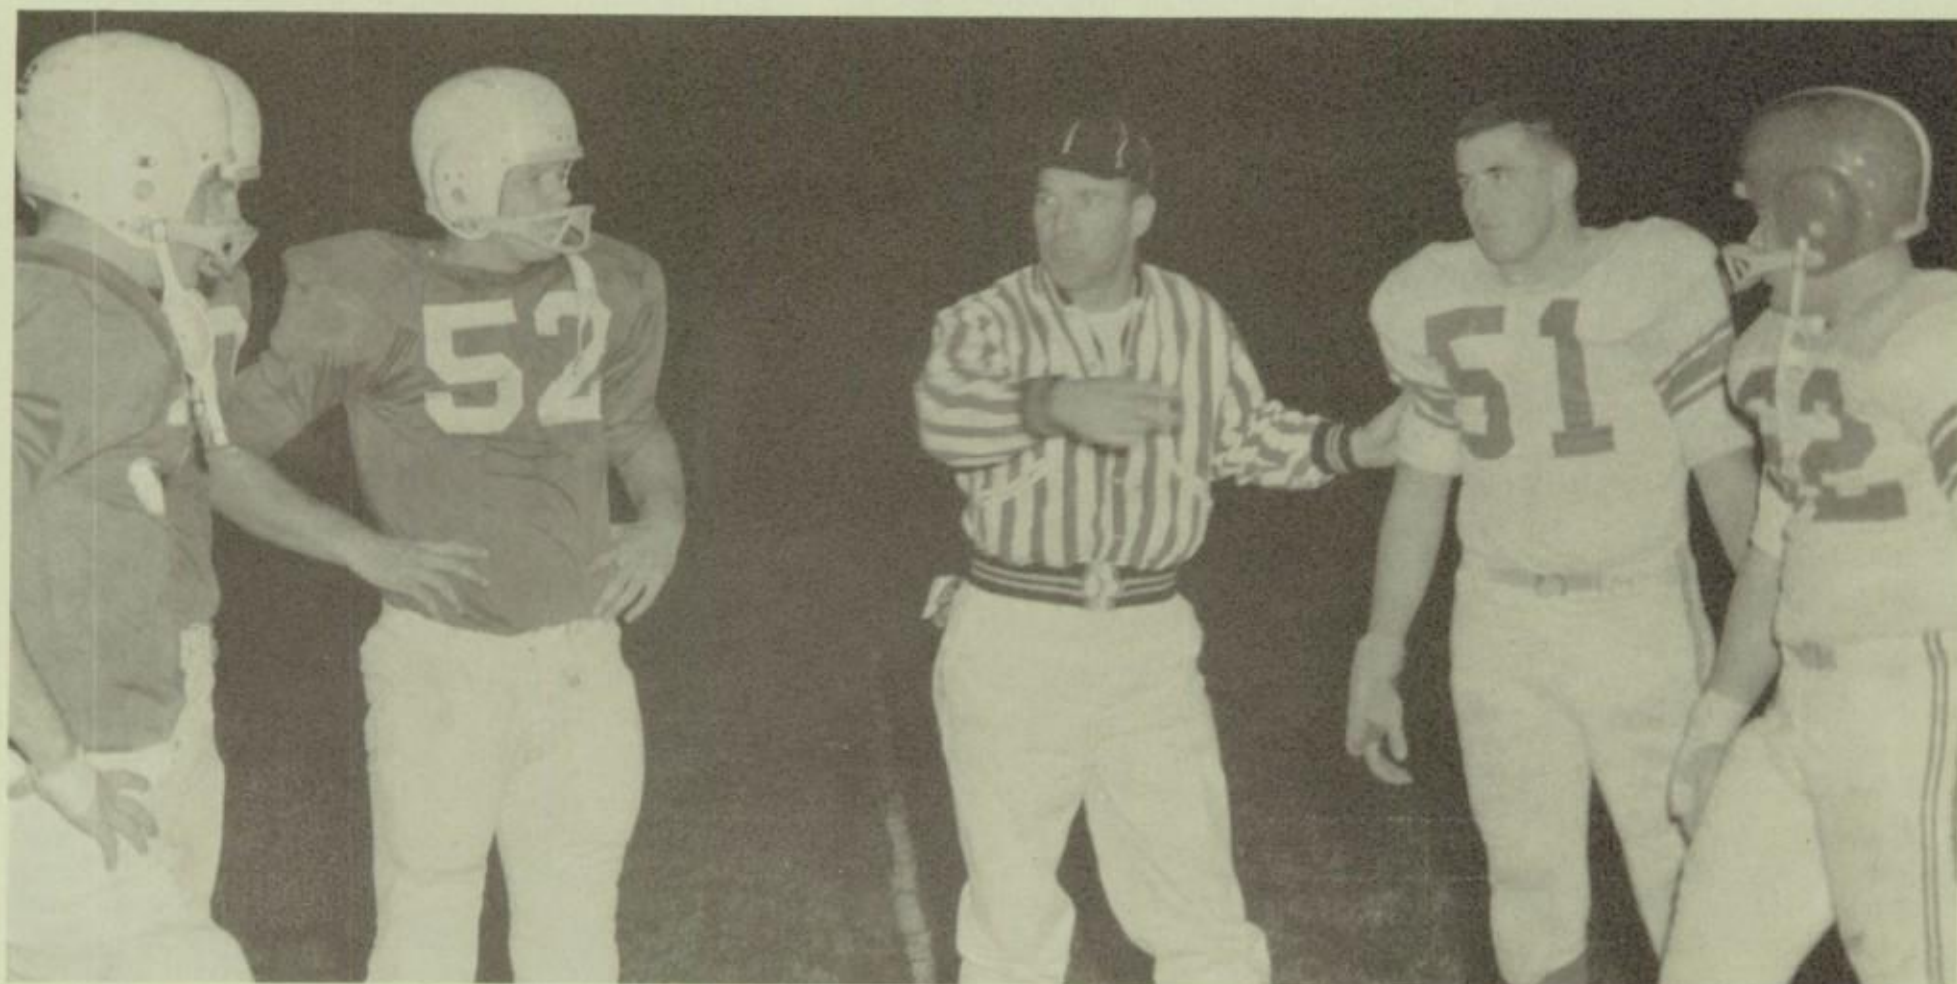

South again went ahead after Thomas had his first pass intercepted of the year. Five plays later they scored from the four.

For the next eight and one-half minutes the Highlanders controlled the football. With Thomas passing and running, North drove 80 yards for a touchdown with 3:56 left in the game.

North had one chance left as they tried an onside kick in an effort to get the football—and they did. The final drive started on the South 46 and North moved to the 25. But three passes and a double reverse failed to go anywhere, as the highlanders' last effort failed.

There were a few tears as the final horn sounded, but as the Axemen yell kings took off with the "crankshaft" there were cries of, "Wait till basketball!"

J.V.'s on the move.

This year's Junior Varsity had a very good year under the coaching of Cecil Hodges. They went through the year undefeated while winning five games and tying two others.

The first three games they didn't allow their opponents to score a point and they only allowed an average of 4.7 points a game to be scored against them all season.

The J.V. should provide a lot of the material for next year's varsity as they lost all of the first string backfield and most of the line through graduation.

The Scots defeated the Axemen twice 2-0 and 32-0. They also rolled up big scores against Cottage Grove, 32-6 and Thurston 25-13.

This was another good building year for the Highlander varsity, thanks to coach Hodges and the rest of the Junior Varsity team.

Mr. Hodges and Mr. Krupicka.

The Sophomore football team, coached by George Krupicka, showed a lot of initiative and some showed promise for future varsity competition. The team is made up exclusively of sophomores who compiled a 2 win, 3 loss, 2 tie record. They had wins over Cottage Grove and Springfield and lost to Willamette, Thurston, and South Eugene. Their two ties were with Cottage Grove and South Eugene.

CROSS COUNTRY

For the third year in a row, the North Eugene Cross Country team, under Coach Denny Davis, went undefeated in district dual meet competition. This, however, was the first time the Highlanders have won the district meet. With individual stars in past years—Harlan Andrews and Dave Deubner—North could do no better than second place. Without any outstanding performers this year North placed five men in the top 16 to edge out South Eugene for the top spot.

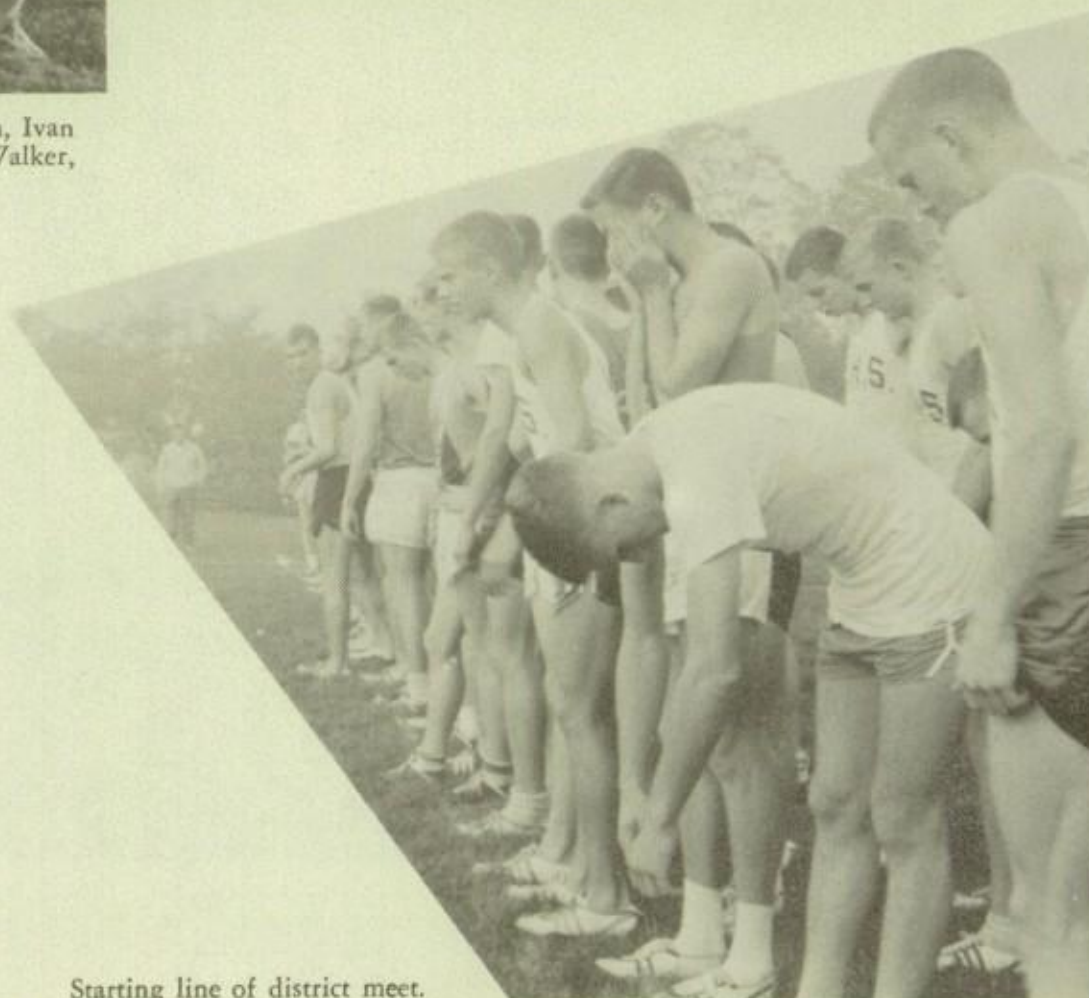

In the state meet at Salem, the Highlanders placed fourth, best ever by a Highlander team. The following week they won the E.E.A.A. State Meet in a runaway. The varsity was led all season by Dave Hardy and Leon Henderson. The J.V. team was undefeated again this year. Sophomore Larry Black won every meet until moved up to varsity and Richard Brunton was J.V. district champion.

The Highlanders defeated South Eugene three times while losing only once. They also defeated North Salem and Philomath while losing to Sweet Home, McMinnville and South Salem.

Records were set in nine of the ten events and Sophomore John Siebs finished fifth in the state meet in the 100-yard freestyle while Senior Pete Little finished sixth in the 100-yard backstroke.

North Eugene again had a very successful gymnastics season. With Captain John Collins and Jim Miller leading the way, North placed second in the state meet at the University of Oregon.

The high scorers were Collins, Miller, Gary Power and Wes Bires. Collins was second all-around at state and Power was fifth all-around. North's only state champion was Miller, as he won the trampoline.

Cecil Hodges

Upon losing four regulars, and eight of the twelve squad members including All-State Center John Franz, from last year, few North Eugene basketball fans gave us a chance of repeating as a tournament team. However, with the leadership of returning regular Bill Thomas, and the continued improvement of Ron Davies, Bob Craven, Paul Michael and Jerry Gordon, the 1962-1963 edition of North Eugene basketball established records for future Highlander teams — 25-1 record, the District Five A-1 and State championships.

As coach of this fine team, I would like to express appreciation to Mr. Hendrickson and Mr. Robertson for their fine cooperation, Mr. Cece Hodges for his valuable assistance and to the players for their dedication and loyalty.

The winner of the J. J. Fuller award was All-State Forward Bill Thomas. This award goes to North Eugene's Most Outstanding basketball player. He also received the John Bruns Memorial trophy that goes to the team's high scorer.

Pre-District

North Eugene started off the season with six straight victories in pre-district action. One of those victories was against 1962 state champion, Grants Pass, 61-55.

North vs. Willamette

North Eugene opened and closed the season against Willamette and walked off with two wins.

The first game was all North as they opened up with a good lead and never slowed down. Thomas led with 21 points.

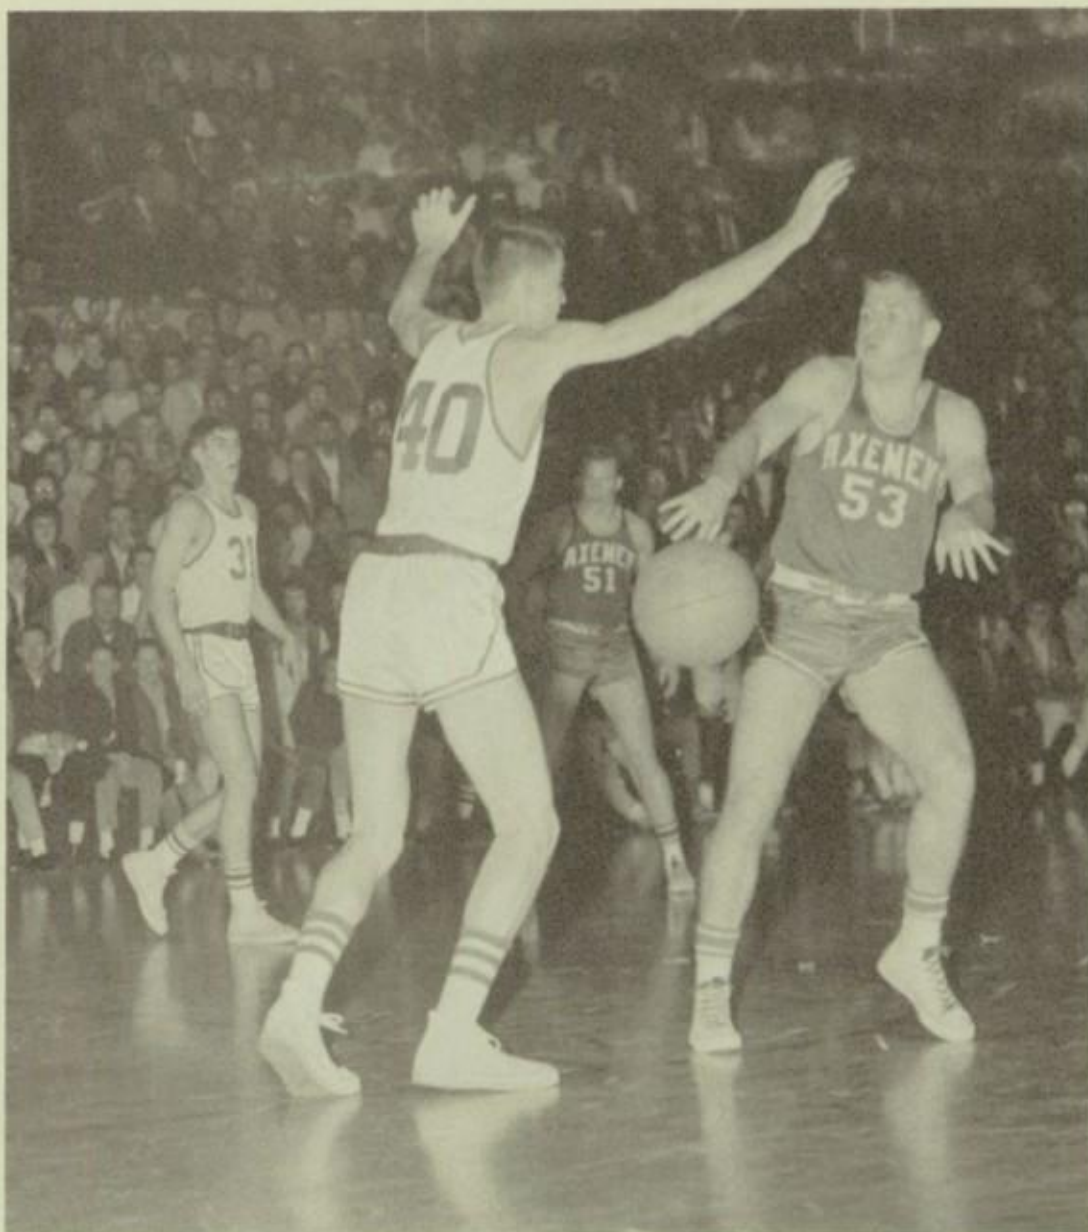

The second game was close all the way as the Wolverines took the lead and held it for the first half. In the third quarter North came back, with clutch free-throws the last couple of minutes winning it. Craven was high with 18 points.

North vs. Springfield

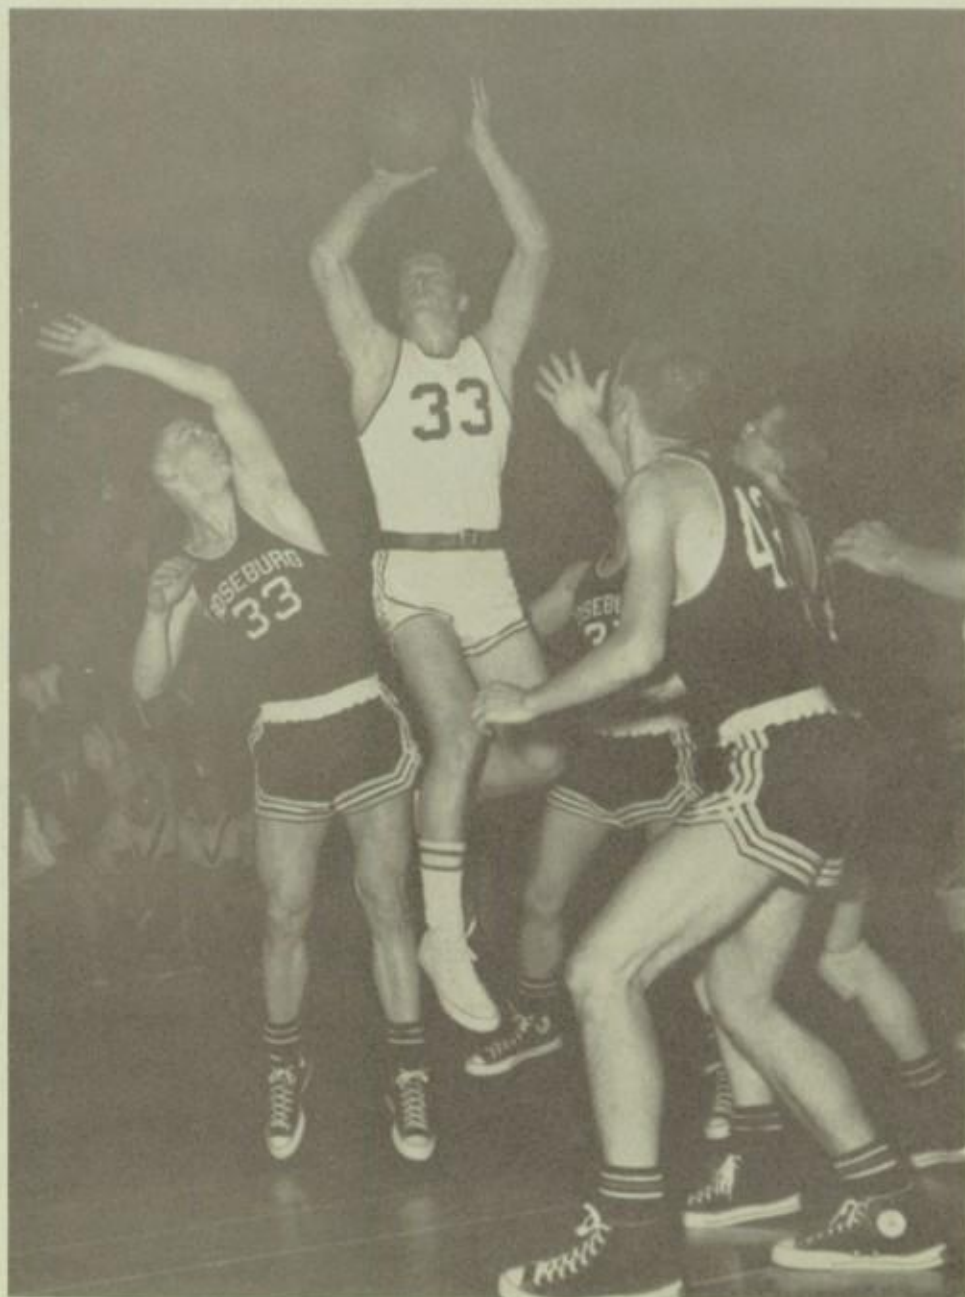

Springfield also fell victim to the Highlanders as they lost twice—66-43 and 85-39. In both games North started fast and were never headed. In the first game Davies led with 18 points and in the second game Craven led with 16.

North vs. Thurston

North again rolled up big scores as they defeated the Thurston Colts 69-36 and 80-49. In the first game the Highlanders shot to a commanding lead and outscored the Colts in every quarter. The story was the same in the second game. Thomas was high for both games, scoring 17 and 14 points, respectively.

North vs. South

With 18,000 people looking on North Eugene and South Eugene split—South winning the first game 57-50 and North coming back in the second, 63-62.

The first game saw South's aggressiveness pay off as they controlled the backboards and stole the ball on numerous occasions. South led for the most part, but the Highlanders came back strong in the second half and came within two points on four occasions.

All-Tournament Ron Davies drops in tip-in.

The second game proved to be a different story as North Eugene held claim to the number 1 team in the state.

The lead changed hands several times in the first half with neither team getting a commanding lead. But in the final 12 minutes North never fell behind. North led by five with a minute to go and held on for the win. Thomas was high with 29 points.

North vs. Cottage Grove

Cottage Grove dropped both games to the Highlanders by scores of 64-50 and 76-54. In both games there was little doubt to the outcome after the first quarter. In the first game Thomas led with 18 points and in the second Davies was outstanding as he had 19 points and 18 rebounds.

North vs. Marshfield

North Eugene defeated Marshfield twice by scores of 61-33 and 48-33. The first game was all Highlanders with Thomas getting 21 points. The second time around North won their first game over at Coos Bay. After a slow start, North broke the game wide open in the second period. Bob Craven led the Highlanders with 16 points.

North vs. North Bend

The Highlander strength again proved to be too much as the North Bend Bulldogs fell 88-42 and 69-49. In the first game, the second unit played its best game of the season. In the second game North led only 30-24 at the half, but came on strong the last two periods. Thomas had 19 in each.

North vs. Roseburg

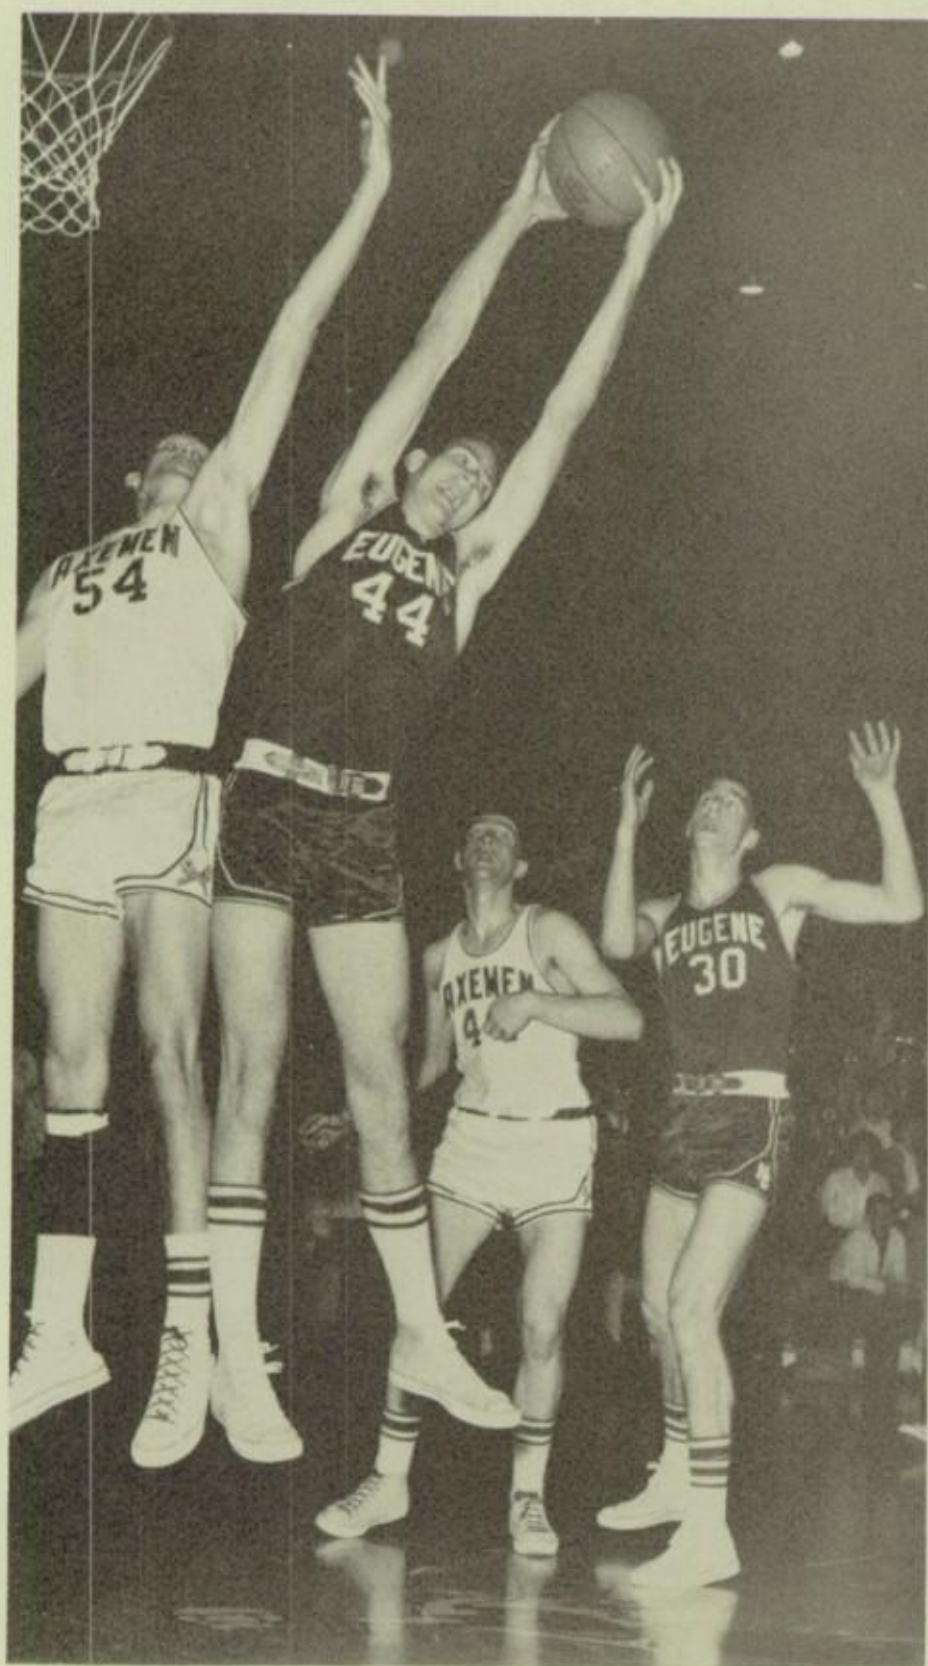

The tall Highlanders continued to roll as they defeated Roseburg 61-57 and 68-46. In the first game North had a good lead, only to have Roseburg fight back. The next game was all North as Thomas led with 25 points.

JUNIOR VARSITY - Another Good Season

North Eugene again had an outstanding Junior Varsity team. Coach Al Gubrud, in only his second year at North, produced an exciting and talented basketball team. Much like the varsity, the Scots had both size and speed. Wayne Kerns, Ken Hay and Craig Johnson provided the size, while Bob Gheen and Kim Herzinger produced the speed and hustle.

Wayne Kerns led all scorers as the team captured the district J.V. championship.

SOPHOMORES - Good High School Starts

Another fine season was turned in by the sophomore basketball team. The "A" team compiled an 10-6 record after losing four of the first six games. The team showed a lot of spirit and hustle after a slow start. The sophomore team was coached by Dick Arbuckle.

The leading scorers were Phil Berg, who averaged 8.3 points per game, and Dave Stromquist, who averaged 7.5 points.

March 23	North 67	Tigard 58

1963 will always be remembered as the year that the tall North Eugene Highlanders won the State Championship. Many called it the finest team they had ever seen. It was definitely the best team North has ever had.

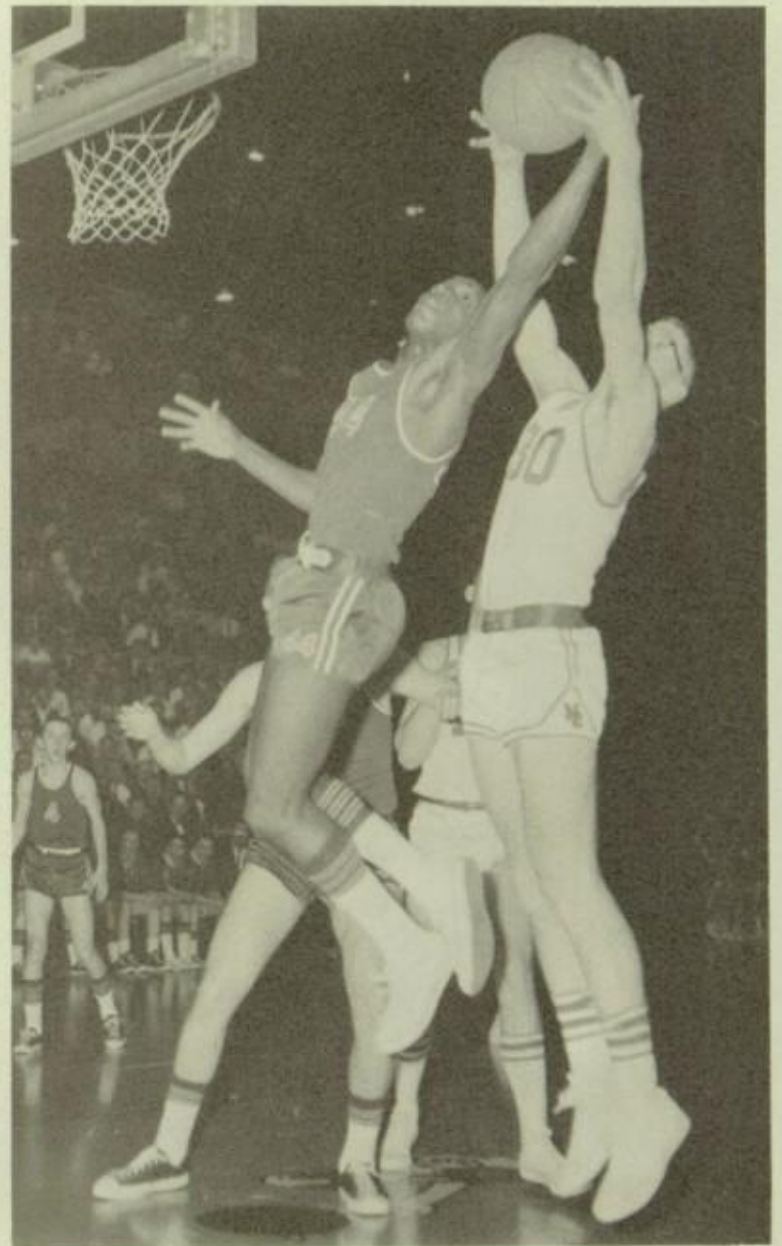

North won the championship the hard way. Put in the best of the two brackets, North beat No. 3 Marshall, 68-66 in overtime; No. 4 Medford, 62-51; No. 8 Astoria, 54-48; and then the tournament Cinderella team, Tigard, 67-58.

In the opener North drew the Portland champs, the Marshall Minutemen. With all-stater Nick Jones leading the way, Marshall forced North into overtime before bowing out. For the Highlanders it was a team effort, but the hero was Ron Davies as he won it on a tip-in with just six seconds left in the overtime.

In the quarter-finals North played always tough Medford. After a 22-7 first quarter lead, North found themselves ahead only 31-30 at the half. It stayed close until the fourth quarter when North's superior height and poise began to tell. Davies was again outstanding as he led with 19 points.

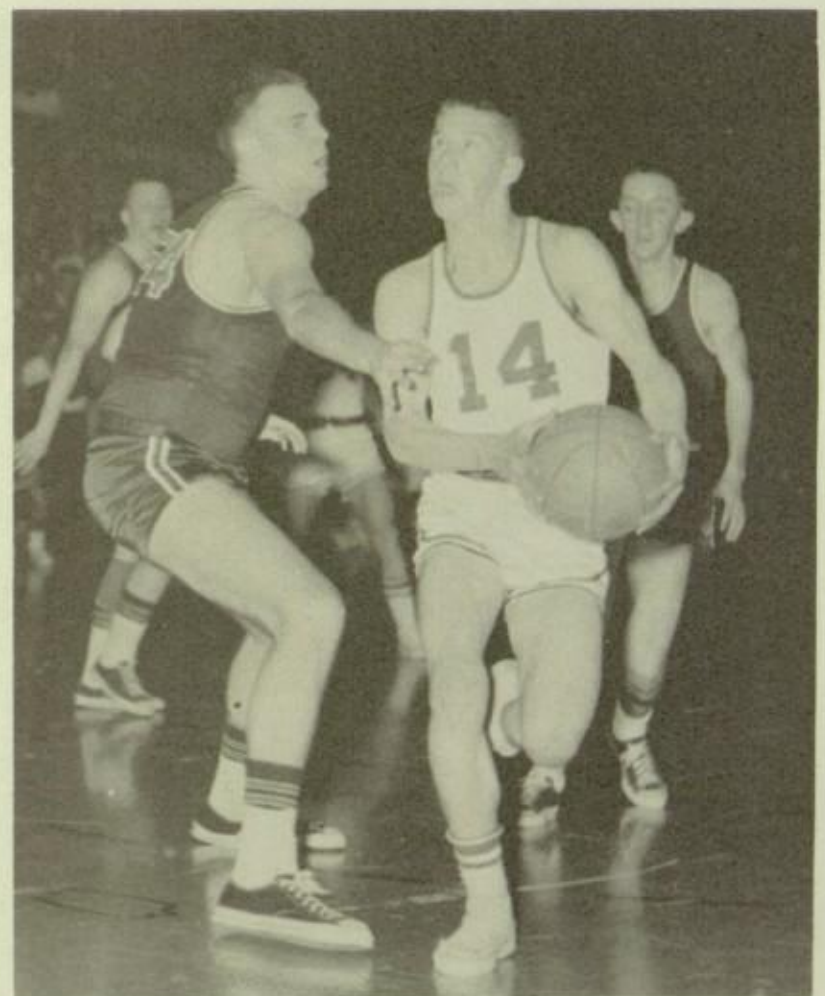

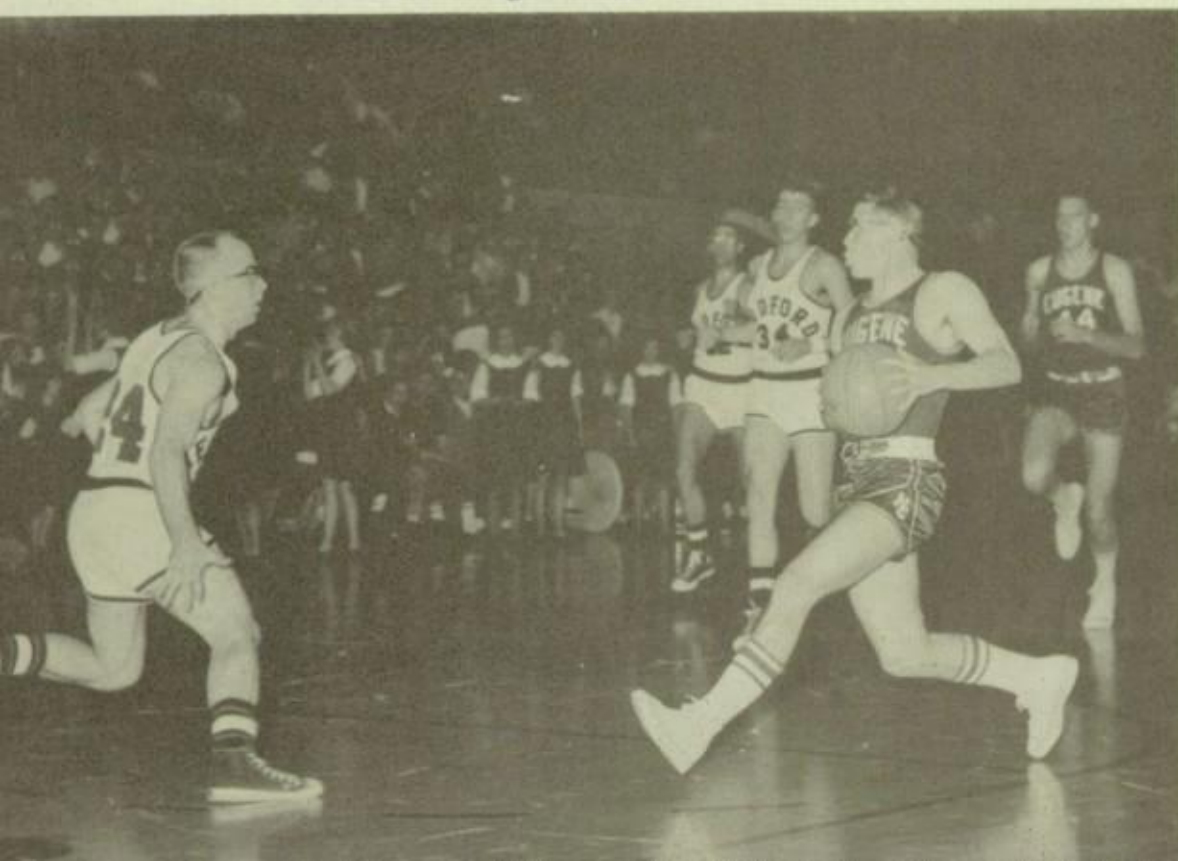

In the semi-finals North drew the Astoria Fishermen. North opened up with a 14 point halftime lead and then held on the last two periods. Davies again led the Highlanders, followed by Craven.

Just one more win and North had the State Championship. As has happened many times before, the Highlanders height was too much for the fighting Tigers as North led all the way. All-Stater Bill Thomas again led North with 25 points, followed by Davies with 16.

This year's wrestling team was North Eugene's finest. They went through the season undefeated in dual meet competition and also won the Springfield and Marshfield Invitionals. They ended the season by winning the district meet and placing tenth at state, best ever by a Highlander team.

North had another first when Mike Bilderback took state in the 157 pound class. This was the first time a wrestler from North has ever won. In the same meet Bill Gott placed third in 178 pounds.

In the district meet North placed 14 men. Winners were Joe Armitage, Rick Marx, Bilderback, Gott, and Dave Myers. Placing second were Randy Thwing, Roger Blythe and Gary Bendix.

The Junior Varsity also had an outstanding year as they won ten and lost only two dual meets.

The 1963 wrestling team, under coaches George Krupicka and Mike Dolby, was truly an outstanding one, one North Eugene will never forget.

TENNIS

This was a building year for the North Eugene tennis team as it was North's first varsity team. They had a 2-5 won-lost record during the season and placed second in the district meet. North was represented at state by Mike Wilson.

Wilson was outstanding throughout the season. He was followed by Steve Prochnow and Sophomore Charlie Williams.

Coach Chic Johnson did an outstanding job considering the team didn't have any courts to practice on throughout the season.

This year's golf team had its ups and downs. They ended the season with six wins, five losses and one tie. Against the state champion South Eugene team, they pulled off a hard earned tie, $7\frac{1}{2}$ - $7\frac{1}{2}$.

In the combined Upstate and District tournaments, North finished with 630 strokes. This placed them third in the district and fourth in the Upstate tournament. They missed going to the state tournament by one stroke.

Don Morrow, one of the best junior golfers in the Northwest led this year's team in their bid for another district title. The team is coached by Mr. Marvin Jeagers.

North Eugene again had an outstanding track team in 1963. Probably the best duel meet team in the state, the Highlanders finished a close second in the state meet at Corvallis.

The track team went through the season undefeated in duel meet competition. They also won the Lane A-1 Relays and the District Meet. But in the two biggest meets of the season, North got the bridesmaid award by finishing second. In the Hayward Relays, the Highlanders lost to Grants Pass by just one-half point and in the state meet were edged out by Jefferson, 46-41.

North was not picked to place very high at Corvallis. Most of the times and distances did not rank in the upper three or four in the state, but when the pressure was on, the Highlanders came through. This is not new to North Eugene, as the same thing happened last year. A big surprise was that of the relay team, John Maxwell, Bob Gravley, Dave Schearer, and Pete Robertson. Going into the state meet, their time was no better than tenth in the state. As it came out they took second in the state meet. Others also came through. Mike Curtis and Pete Robertson were not expected to win and Bob Gravley and Ed Reed improved their standing in the state. Leon Henderson also had his best time of the season.

This year's track team was an outstanding one, missing by only 5½ points from winning every title a team can win. With coaches like Bud Robertson, Denny Davis and Bob Newland, North will continue to have outstanding track teams.

BASEBALL

The 1963 baseball season was a wet one to say the least. Many games were rained out and a lot of practices had to be held in the gym. But there were a few bright spots. The Highlanders ended the season in a tie for second in league play, although the record was only 4-4. Mike Snow, North Eugene's prize junior pitcher, pitched a no-hitter against Willamette, 2-0. Bob Craven also pitched a couple of outstanding games. He shut out Springfield 1-0 and beat them again 4-3 in ten innings, striking out 13 hitters.

With eight players returning next year, North should again have a good baseball team. One of the top hitters, Terry Anderson, plus Pitcher Mike Snow will return, plus the likes of John Miller, Pat Mekech, Lonny Harding, and others. These, along with others should provide strength in both hitting and pitching.

Come on coach, give me a tear.

JOSE' ENJOYS AMERICA

I shall never forget my year at North Eugene. Everyone was so friendly that from the very first I felt I belonged. School here is very different but people were helpful and soon it all became routine to me. I was very happy to see such spirit in raising funds for the American Field Service as it is a wonderful program.

I was very proud to sit in our section and watch our team take the basketball championship. I was even prouder when I received my own letter in tennis and the beautiful sweater the Lettermen's Club gave me.

I shall carry the many wonderful memories of the happy times and ever lasting friendships with me always. If you should ever come to my country, I hope you will come to see me. I wish to thank especially my family here, the Bonds, for making my stay here one to remember.

Adios,

Rafael Gutierrez J

SUSAN MARIE DEYO

SUE HAS A MEMORABLE SUMMER

The American Field Service is one of the greatest things that ever happened to me. Life abroad with another family has helped to build me mentally and morally and to give me a grasp of the problems of the people all over the world. Through this experience I have made scores of new friends and I still have contacts with them now that I have returned home.

The Netherlands is much more to me than a country across the sea. The summer I spent there living with the van Joolens made me familiar with their culture. It created lasting personal relationships that make me able to feel that I have a second home in Amsterdam, Netherlands, any time in the future.

It is through experiences like this that people gain insight to the actions and outlooks of other nations, and it is this insight and understanding that will lead the world toward the goal of universal peaceful co-existence.
